Finance Council Meeting Minutes

Meeting Date: June 16, 2025

Meeting Time: 6:30 PM

Meeting Location: St. Anthony On the Lake

- Opening prayer and reflection led by Bill.
- The Minutes of the May meeting were reviewed and approved.
- Art gave us the financial update for May. He reported that we are in a much better position this year than we were last year at this time. John distributed a comparison summary also and highlighted some of the key factors that are favorable going into the end of our fiscal year. These factors included the Gala income being up from last year, expenses down a bit, and a large donation.
- An update on the Love One Another Campaign was distributed, detailing a breakdown of where the contributions we've received thus far have been spent. During the coming months, the PLT in consultation with the Building and Grounds Committee will review and prioritize the remaining case elements to determine the next initiatives to be undertaken as we receive more contributions.
- Art updated the Council on projects the Buildings and Grounds Committee has been working on. He distributed a picture of the new security gate that will be installed on the playground and talked about the ballistic film that will soon be put in place as a result of the security grant we received. Discussion then ensued regarding additional maintenance projects that may be needed in the coming years and planning for how to fund them. The Buildings and Grounds Committee does have a long term, 10 year plan of projects, priorities and approximate costs that will soon be updated.
- Father Tony discussed the terms of office of our current members. Barb Webb's term is up and she was presented with a gift from the parish and thanked for her service.
- The Council discussed audit and Finance Council Liaison roles, and assignments for the upcoming year were determined. The schedule of meeting dates which was distributed by email with this meeting's agenda and other materials, was discussed also.
- Bill led us in a closing prayer.
- Meeting adjourned at 7:48 PM.

Next meeting is scheduled for September 15, 2025 at 6:00 PM.
