

ADULLAM STAYS RV SITES + SUITES

ATV EV Golf Cart Rentals

What a better way to explore the rolling terrain on the trails of the 80-acre property of Adullam Stays or drive around exploring the quiet backroads in the Estates of the Reverse at High Forest than with one of our ATV or ATV/EV's cart rentals.

The ATV/EV fully electric golf cart will seat 4 passengers with 2 front and 2 rear facing premium seats or flip the rear seat converting it to a cargo shelf. Vehicle is equipped with Bluetooth speaker, phone charging station and extended-range batteries. The EV is street legal with front and rear LED headlights, a turn signal, rear and sideview mirrors, horn and seat belts with a maximum speed of 17-20 MPH with restrictions for operating limited during the hours of Sunrise – Dusk. Driving on Highway 48 (Waynesboro Highway) is prohibited for safety measures and speed minimums. Additional features include front windshield and covered canopy.

The Kawasaki Mule gas powered, 2 passenger ATV is perfect for exploration with 4-wheel drive capability through the rough terrain with front facing bench seat and a rear cargo area. Equipped with 2 LED headlights, seat belts, rear-view mirror, windshield, covered canopy and a horn. Speed is restricted to 12-15 MPH and can only be operated on back roads during the hours of 8 AM – Dusk and is not street legal.

Carts will be dropped off and picked up on the day of your rental. Overnight rentals are limited to availability on a first come basis.

Rental Cost:

½ Day Rental- 4 Hours \$50

Full Day Rental – 8 Hours \$75

Overnight Rental – 24 Hours \$135
