YEAR 3: 92.86%      YEAR 6: 92.12%

Our attendance continues to remain above national. As the weather is getting colder and wetter, please can I remind parents that children should be coming into school with coats. Unless it is heavy rain, children do go outside for fresh air and we would expect them to be suitably dressed for the cold weather.

## Remembrance

Last Sunday, some of our Pupil Parliament represented the school at the Buckingham parade and service. Vivienne and Timothy laid our wreath at the memorial. Then on Tuesday, our Y6 class led a poignant assembly where the whole school observed the silence.

## Y3 Chiltern Open Air Museum trip

Last Friday, Y3 visited Chiltern Open Air Museum as part of their history learning about the Stone Age. They had an amazing time. Here is what Eva and Amayra said about the trip: *'There was a big cottage and there were lots of activities to do. It was called the Winter camp. We made fire, made face paint with charcoal and made shelters. We also got to throw a pretend spear at a wild boar – it wasn't real! There was a man who was 1000 years old from the Stone Age, but he wasn't really that old!'*

## Y2 Warwick Castle trip

Yesterday, Y2 visited Warwick Castle as part of their history learning. Here is what Monty and Lyra said about the trip: *'We went to Warwick Castle and we learnt about all the different jobs in the castle. Monty had to grind the rice to make flour. In the olden times, doctors had to sniff wee to check if people were healthy! The person showing us around had to sniff the wee – but really it was coffee and apple juice mixed together. We also saw what a toilet looked like in the olden times. It was two stones and a plank of wood on top with a hole in it. People had to shovel it out! It was a bit gross!'*

## Presenters of the week

## Achievements

A huge congratulations to Oliver in Y4 for his amazing dance achievement at the IDTA National Dance Championships in Blackpool last weekend.

Oliver took part in two Rock n Roll events. The first was Syllabus Rock n Roll (a technique focussed dance). Oliver danced through 4 rounds and got into the last 11 dancers, narrowly missing out on the final. He also took part in the 9 and Under Rock n Roll partners. Oliver and his partner danced across 5 rounds and made it to the final. Out of more than 60 dancers who qualified in their regions around the UK, they came 7th overall. Well done, Oliver!

Well done to Jack and Rory who were awarded medals for climbing over the O2 last weekend.
