Overview of our school and values

*At Lace Hill Academy we reach for the stars;
our pathways are endless.*

Our Curriculum

- We have looked at what we want our children to be able to do when they leave our school. From that we have designed a curriculum that ensures that we give our children the secure foundations to achieve our aims.
- We gathered information from parents and looked at our children's interests and needs.
- In your packs is an overview of our curriculum. Please see the EYFS section on our website for the full Early Years Curriculum.
