Dear Parents and Students (Preschool through grade 8),

We certainly hope that Spring Break is a time of rest and renewal for your family. We have awesome parents and appreciate our continued partnership!

REGISTRATION REMINDERS!

- SCHOOL GOAL: Complete Registration/FACTS by WEDNESDAY APRIL 1st !
- You may schedule an appointment with the office to assist you with FACTS!
- Complete FACTS soon which will help ensure Tuition Assistance (first come/first serve).

ILEARN

In the upcoming weeks, students will take the ILEARN test which will measure student achievement and growth this school year. Teachers continue to stress to students to work hard and do their very best on a daily basis. Our goal is for each student to be at a Proficiency Level of At/Above:

LEVEL 4: Above Proficiency

Indiana students above proficiency have mastered current grade level standards by demonstrating more complex knowledge, application, and analytical skills to be on track for college and career readiness.

LEVEL 3: At Proficiency

Indiana students at proficiency have met current grade level standards by demonstrating essential knowledge, application, and analytical skills to be on track for college and career readiness.

LEVEL 2: Approaching Proficiency

Indiana students approaching proficiency have nearly met current grade level standards by demonstrating some basic knowledge, application, and limited analytical skills. Students may require support to be on track for college and career readiness.

LEVEL 1: Below Proficiency

Indiana students below proficiency have not met current grade level standards. Students may require significant support to develop the knowledge, application, and analytical skills needed to be on track for college and career readiness.

Thank you for choosing Holy Spirit! Please know that we will continue to pray for you and appreciate your continued love, prayers, and support.

Sincerely,
Mr. Memmer
Principal
