

**Fundraising in the palm of your hand!**

Dear FCA All-stars and Families,

TeamFunded will be working with Big Country FCA All-stars on a fundraising campaign starting today. Your All-star will be downloading the TeamFunded app and sharing their donation link through text, email, and social media in order to raise funds to help support the FCA and their All-stars Events. We have a proven method to maximize funds raised with minimal time requirements.

The name of our app is TeamFunded and is available in both the iOS and Google Play store. Your participant will be shown how to navigate the app and share with a goal of at least 20 shares per participant. Your participant will not be required to collect any information from anyone. Our app connects directly to the contacts in your phone for quick sharing via text or email. Once the participants have 20+ shares, TeamFunded automatically gives back even more!

Your participant's donation link is unique and can be shared by you and others. **Parents and guardians can also download the app, login using their participant's phone number, and share to their contacts too.**

**Below are great examples of who to share with:**

<b>Parents</b>	<b>Co-Workers/Bosses</b>
<b>Grandparents</b>	<b>Local Businesses</b>
<b>Aunts/Uncles</b>	<b>Neighbors &amp; Friends</b>
<b>Stepparents</b>	<b>Church Friends</b>
<b>Cousins</b>	<b>Former Teachers &amp; Coaches</b>
<b>Older Siblings</b>	<b>Out of Town Family/Friends</b>

**PRIVACY - Our company will not have access to the contact information of those they share with. Your phone number (or your player's) will only be used to activate your account in the campaign app.**
