Statement of Cooperation

By applying to South Haven Christian School, I understand the following:

- South Haven Christian School is a ministry of South Haven Baptist Church. We are a coeducational school that offers families and their children a biblically integrated, college-preparatory program to help each student grow in the grace and knowledge of Christ and become effective in advancing the cause of Christ in our culture.
- I agree to support the goal of Christian education at SHCS, which is to assist parents in raising mature Christian young people with Christ-like character and conduct.

Financial Guidelines

South Haven Christian School contracts with teachers, staff, and outside vendors based on enrollment and tuition payments.

The following tuition policies apply:

- I understand that refunds will be considered once the parent or guardian submits an official withdrawal form.
- I understand that the Registration Fee and other Student Fees are nonrefundable.
- As a parent/guardian, it is my responsibility to pay the full year's tuition for each enrolled child, as stated in the current Financial Information Overview. Late fees may apply if payment is not made by the due date.
- I understand that tuition is not refundable for the month in which students attend any part of it. Any prepaid amounts beyond the month the official withdrawal form is received will be refunded after a seven-day waiting period.
- I understand that a delinquent account will result in the withholding of academic records until all outstanding fees and tuition are paid in full.
- If my account is sent to collections, I assume responsibility for all charges.

Discipline Guidelines

- All students accepted into SHCS begin on academic and disciplinary probation during their first semester of enrollment. The School reserves the right to dismiss any student found to be in violation of the rules and policies of South Haven Christian School. Expulsion may occur if the student engages in conduct that violates biblical principles, dishonors God, or reflects poorly on the School's reputation.
- I/We believe that proper discipline is necessary for each student's welfare and for the entire School. I/We authorize my/our child's teachers and/or an agent of the School to establish and enforce classroom regulations in accordance with Christian principles.
- The teachers and administration are hereby granted full discretion to discipline my child. Disciplinary measures may include referrals, assignments, detentions, suspensions, and expulsions.

Academic Guidelines

- I agree to uphold and support the high academic standards of SHCS by encouraging my child to take responsibility for their academic work.

General Guidelines

- I give South Haven Christian School permission for my child to participate in all school activities, including school-sponsored trips and sports. If I have concerns about an activity, I will present them in writing to the administration for proper evaluation.
- I absolve South Haven Christian School, its employees, and volunteers, and hold them harmless from liability to my child or me for any accidents that occur at School or during School activities, provided they occur under reasonable supervision.
- Should there be any questions or concerns regarding the School, we agree to contact the teacher or administration and to follow the principles of Matthew 18:15-17, which instruct us to go directly to the person with whom there is a difference and settle the matter before believers.
- I will not file a lawsuit against South Haven Christian School for any reason. I agree to submit any irreconcilable differences with the School to mediation before mutually acceptable believers. I will not be critical of the administration, faculty, or teachers in the presence of my child(ren).
- If a problem with the School cannot be resolved, we agree to quietly withdraw our child(ren) from the School rather than encourage discord or unrest among other parents or students.
- I will regularly pray for and loyally support the faculty, staff, and administration of the School as they minister to the spiritual and educational needs of all enrolled students.
- I will notify the School of any changes to our contact information, employment status, or information about the health of my child(ren).

I understand that this is a legally binding agreement and that it cannot be altered by any party without the other parties' written consent. I have read the above information and the Student-Parent Guide and agree to cooperate with South Haven Christian School regarding these guidelines for my child(ren)'s education.
