Despite her vow of virginity, she was forced by her parents to marry a pagan nobleman. During the wedding, Cecilia sat apart singing to God in her heart, and for that she was later declared the saint of musicians. Cecilia told her husband that an angel was watching over her and that she had made a promise of virginity to God. He said he would respect her virginity if he could also see the angel. After being baptized, he saw the angel and was converted to Christianity, his brother was also converted by the angel. Her martyrdom followed that of her husband Valerian and his brother. Cecilia was struck three times on the neck with a sword; she lived for three days before dying. Cecilia was buried and in 1599, her body was found still incorrupt many years later.</p> <p><i>Saint Cecilia pray for us!</i></p>
