BRASS URNS

Our brass urns feature hand-engraved brass designs in a variety of finishes. The handcrafting process utilizes a sand-casting technique that is hundreds of years old. Depending on the design, these urns may go through as many as seven different processes. Throughout these processes, every urn is handled individually. This handcrafting process ensures that no two urns are exactly the same.

SCATTERING URNS

Scattering urns are specifically designed to easily and safely distribute your loved ones cremated remains in one or more meaningful locations. They add dignity and comfort to the scattering process. Some scattering urns are biodegradable, so they will break down naturally in the water or earth.

KEEPSAKES & VELVET CONTAINERS

Keepsakes are often shared with all family members and close friends to remember their loved one and to celebrate life.

Keepsakes, like urns, can be used to preserve cremated remains. However, they can also be used to preserve a pinch of soil from the burial or scattering site, or other items such as a small flower petal.

(with silicone plug)

Rose Keepsake
13.9" x 2.9" nominal ci
\$165.00

Rose keepsakes add a touch of elegance to your memorial display. The bud of the rose can be removed and has a small compartment for remains or burial site items such as soil, petals, or leaves.

Engraving options are also available for the back of a leaf. Personalize a rose keepsake with the name of the deceased or initials.

Engraving

A majority of our products can be engraved or personalized. After engraving, wooden and marble urns are filled with a contrasting color, while metal urns are left with the natural metal exposed. Whatever the request, our personalization specialists can help find a solution to meet your needs. Even our smallest keepsakes can easily be personalized.

Nameplates and Oval Pendants

For urns that are not able to be engraved directly we offer both nameplates and oval pendants. Nameplates are made of brass and adhere directly to the urn via an adhesive application. Our oval pendants can be draped around the neck of the urn by a ribbon.

Personalization

Many options are available when it comes to personalizing an urn or keepsake with engraving. Most commonly urns are engraved with the name of a loved one, and dates of life. Other options include imagery/symbols, personal quotes, or short verses. These options allow any of our products to honor and pay tribute to a loved one with a truly personal statement.
