Team Emergency Simulation

Workshops: Friday, 2/23/24 7:30
– 12:30 PM or 1:00 – 6 PM

Annual Symposium:

Saturday, 2/24/24 8:30 AM-4 PM

Friday, 2/23/24

7:30-12:30 PM or

1:00 – 6:00 PM

Team Emergency Management Workshops

Practitioners and their staff have the opportunity to experience the realism of office medical emergency scenarios on human simulators with faculty trainers.

Continuing Education Credit

Simulation Center team training workshop:

4.5 hours CEU

AHA Heartcode Renewal of BLS and ACLS pre-workshop preparation (optional): **1.5 hours CEU**

Workshop Directors

James A. Phero, DDS, MD

James C. Phero, DMD

Annual Meeting Featured Speaker

Dr. Ben Hechler is currently a medical director for Blue Cross and Blue Shield of North Carolina. He most recently served as an Assistant Professor in the Department of Surgery, Division of Plastic, Maxillofacial, and Oral Surgery and the Department of Head and Neck Surgery & Communication Sciences at Duke University Hospital in Durham, North Carolina until 2023. He completed his dental training at the University of Missouri – Kansas City, his residency and medical school training at the University of North Carolina - Chapel Hill, and he completed a fellowship in oral, head, and neck oncologic surgery at the University of Tennessee Medical Center - Knoxville. Dr. Hechler's areas of clinical focus have included cancers and tumors of the head, neck, face, jaws, and salivary glands; complications from head and neck cancer treatment; surgical treatment of temporomandibular joint (TMJ) disorders; malformations of the face and jaws; facial trauma; and surgical treatment of obstructive sleep apnea (OSA) and bony deformities. Dr. Hechler's practice has also included routine outpatient oral and maxillofacial surgical procedures in the office and ambulatory surgery settings. Dr. Hechler's research and publication interests have included disorders of the temporomandibular joint, head and neck cancers and tumors, bony facial trauma and pathology, and anesthesia. Dr. Hechler is a frequent guest on the podcast, *Everyday Oral Surgery*. Currently, Dr. Hechler resides in Belmont, North Carolina with his wife and two children.

Saturday, February 24, 2024

Annual Scientific Symposium

8:30 AM – 4 PM Kowalewski Hall

Continuing Education Credit

6.0 hours CEU

Speakers

- Ben Hechler DMD Medical Director Blue Cross Blue Shield North Carolina
- James A. Phero DDS. MD. is an Oral and Maxillofacial Surgeon
- Joel Weaver, DDS, PhD, Professor Emeritus, The Ohio State University

Workshop offered - Friday, 2/23/24 7:30 – 12:30 or 1:00 – 6:00 PM

Register on line at www.ohdsahome.org

Cancellation policy: payment applied toward future workshop

Due to the unique nature of this training and limited participant to faculty ratio, space is limited to a maximum of sixteen practitioners / staff per session. If we have less than 16 registered, residents who wish to be placed on "wait list" to bring the total to 16 may join the workshop for no fee. If a resident wants to include AHA BLS + ACLS, the fee will be \$200.

Description

This is the opportunity for Practitioners and their staff to experience the realism of office medical emergency scenarios on human simulators with support from experienced faculty. Practitioners are encouraged to include office staff. This unique and challenging workshop provides clinical simulation experiences that address the proper recognition, assessment, and management of office medical emergencies with an emphasis on complications associated with moderate sedation, deep sedation, and general anesthesia.

Participants will demonstrate appropriate team management of patient emergency scenarios on high fidelity patient simulators. (Laerdal SimMan). Skills necessary to provide emergency care will be reviewed on task trainers, including the Laerdal Resusci Anne, Laerdal Airway Trainer, and Ingmar Respi Trainer.

**Registration includes American Heart Association (AHA) ACLS 2 year certification and AHA BLS 2 year certification for participants per their pre-registration selection. Participants must complete the AHA Heartcode on line training plus the hands on training and Mega Code testing at the Simulation Center to receive the AHA certification. Certification is via the University of Cincinnati Medical Center AHA Training Center.

Note any workshop participants that are not current with their AHA BLS or ACLS certification(s) will also be required to separately pay for and take the AHA web based courses for these certifications prior to the hands-on workshop. Information for taking these AHA courses will be provided with registration.

For practitioners not ACLS current, AHA ACLS Heartcode Part 1 completion certificate is done prior to the simulation workshop. This pre-simulation workshop AHA ACLS Heartcode Part 1 on line training provides an additional 10 hours CEU (if applied for through AHA).

*For practitioners not BLS current, AHA BLS Heartcode Part 1 completion certificate is done prior to the simulation workshop. AHA does not provide CEU for the BLS Heartcode.

Simulation Workshop Director: James C. Phero DMD

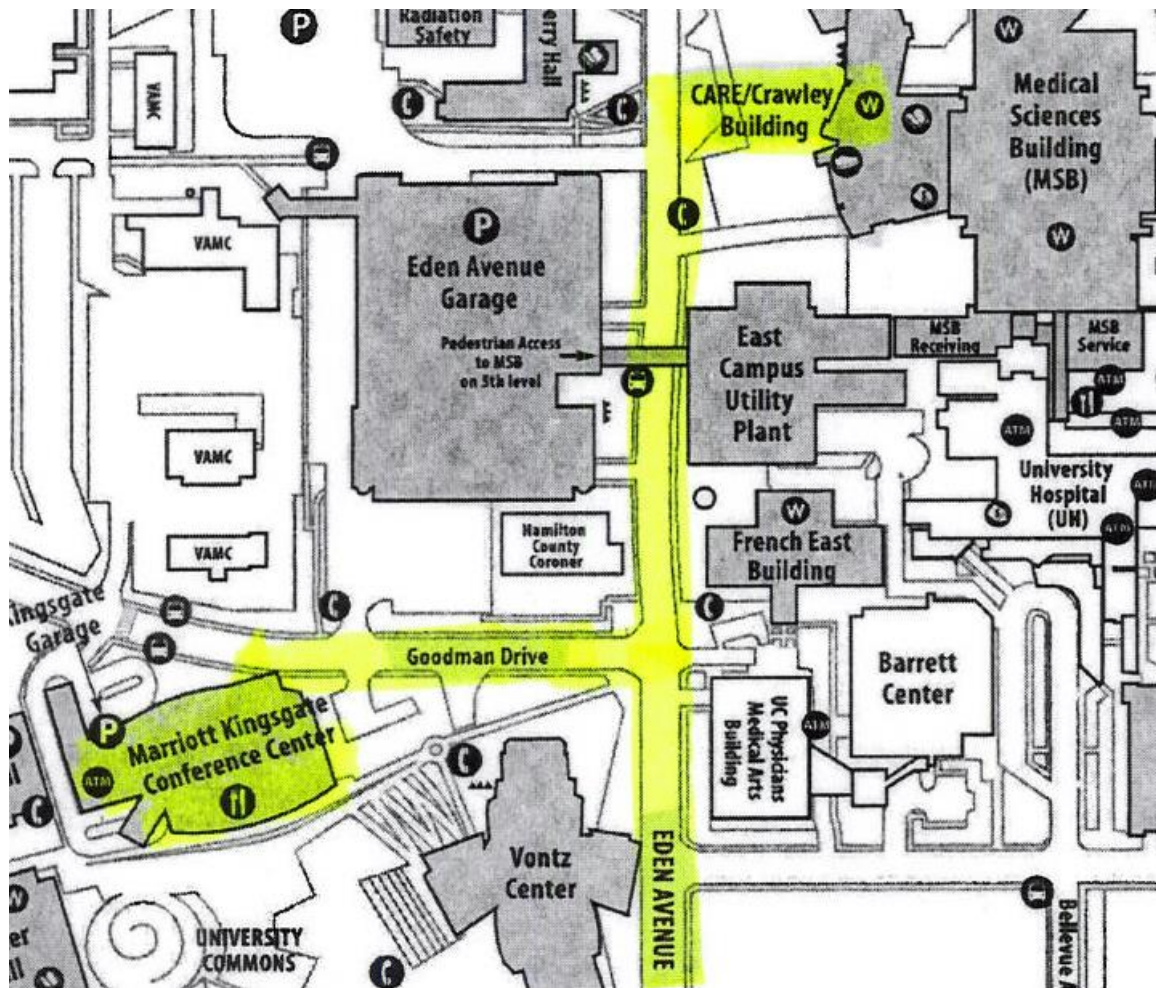

Simulation Faculty Facilitators: James A. Phero, DDS. MD., Leroy Mendell, RN, Patrick Reilly, EMTP, Joel Weaver DDS PhD,

Continuing Education Credit

Simulation Center team training workshop: **4.5 hours CEU**

AHA Heartcode BLS and ACLS pre-workshop preparation (optional) **1.5 hours CEU**

The American Dental Society of Anesthesiology (ADSA) and its components are ADA CERP Recognized Providers and Accepted National Sponsors for FAGD / MAGD Credit

At the traffic light (Eden Avenue), cross the street to the left and head north past the Eden Garage. Directly across the street is the CARE/Crawley Building. If you don't want to walk up all of the steps, there is a ramp at the north end of the street that goes into the building. Once you enter the CARE/Crawley Building, walk straight thru to the main hallway. Keep walking straight until you come to the red brick elevator on your right. Continue straight until you see the sign to the UC Simulation Center. The Clinical Skills Lab is on the left, outside the double doors leading to the Simulation Center. Look for signs inside the building.

Annual Scientific Symposium
Ohio Dental Society of Anesthesiology
A component of the American Dental Society of Anesthesiology

University of Cincinnati, KOWALEWSKI HALL
3255 Eden Avenue, Main Auditorium Room 140, Cin, OH 45267

Saturday, February 24, 2024

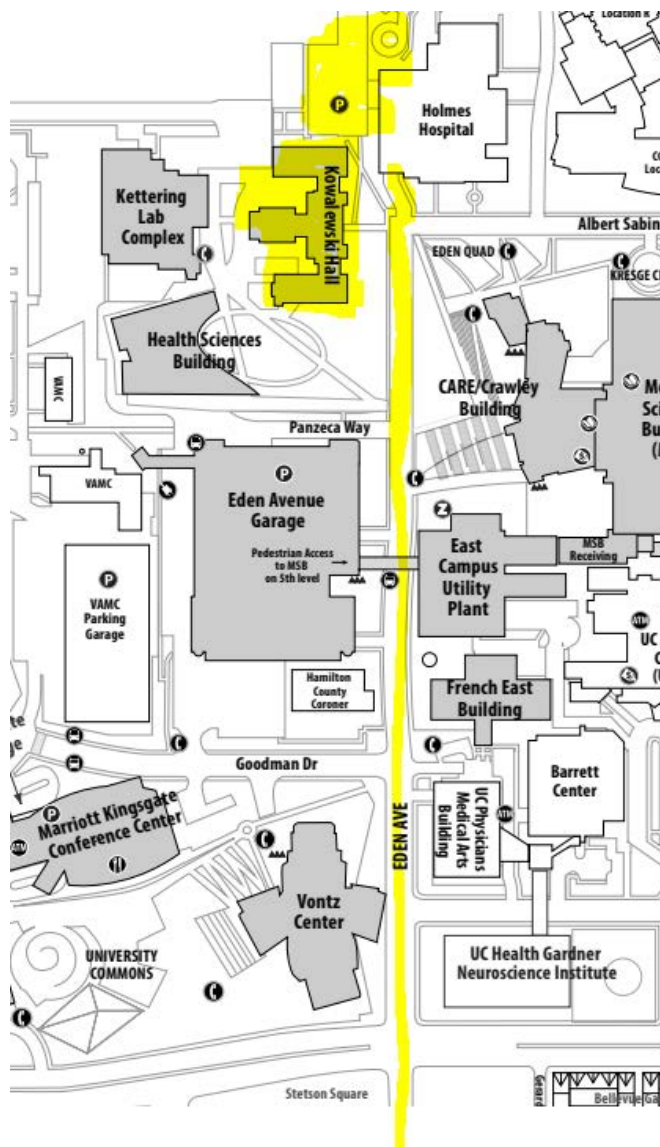

Schedule

8:00-8:30 am	Registration & Continental Breakfast
8:30-8:35 am	James A. Phero, DDS, MD Welcome Overview
8:35-9:45 am	Dr. Ben Hechler, DDS, MD Review of current diabetic medications and anesthetic considerations for the diabetic patient
9:45-10:45 am	James A. Phero, DDS, MD Dexmedetomidine
10:45-11:45 am	Dr. Ben Hechler, DDS, MD Anesthetic considerations for patients with history of head and neck cancer
11:45-12:45 pm	Joel M. Weaver, DDS, PhD Ohio Rules and Regulations for Sedation and Anesthesia – An Update
12:45-1:15 pm	Business Meeting & Lunch – Joel M. Weaver, DDS, PhD
1:15-3:15 pm	Dr. Ben Hechler, DDS, MD Anesthetic considerations in patients with cardiac, liver and kidney disease
3:15-3:30 pm	Course Evaluation Open Discussion with Faculty

6 hours CEU

Annual meeting registration includes: continental breakfast, lunch, and online course materials.

<input type="checkbox"/> Practitioner ADSA Member	\$250.00
<input type="checkbox"/> Practitioner Non-Member	\$350.00
<input type="checkbox"/> Healthcare Providers (CRNA, RN, EMS, Assistant)	\$150.00

At the traffic light (Eden Avenue), head north and park in the Holmes Parking lot to the right of Kowalewski Hall. You may also park in Eden Garage. Kowalewski Hall is located on the same side of the street as Eden Garage. Continue towards the James L. Winkle College of Pharmacology building. Kowalewski Hall is inside the Pharmacology building. When entering the doors go straight through the main hallway. Pass some small offices and a small seating area. Keep walking straight until you come to the wall with wavy designs. Room 140 says Active Learning and has doors on both sides to enter.

Hotel Accommodations

Graduate Cincinnati - formerly Kingsgate Hotel & Conference Center

151 Goodman Street
Cincinnati, Ohio 45219

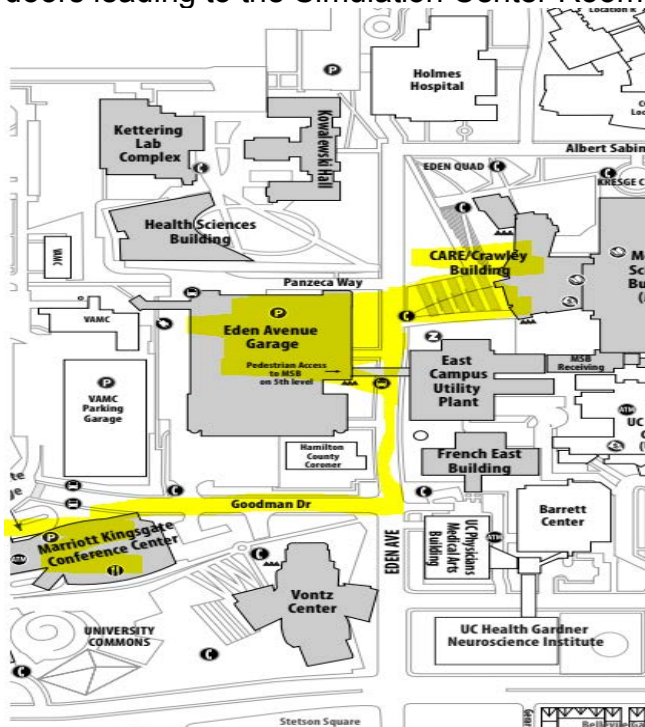

413-821-3091
513-487-3800

You may direct your guests to call 513-487-3800 to make their reservations by phone. The Graduate Cincinnati is two blocks from the symposium and workshop location.

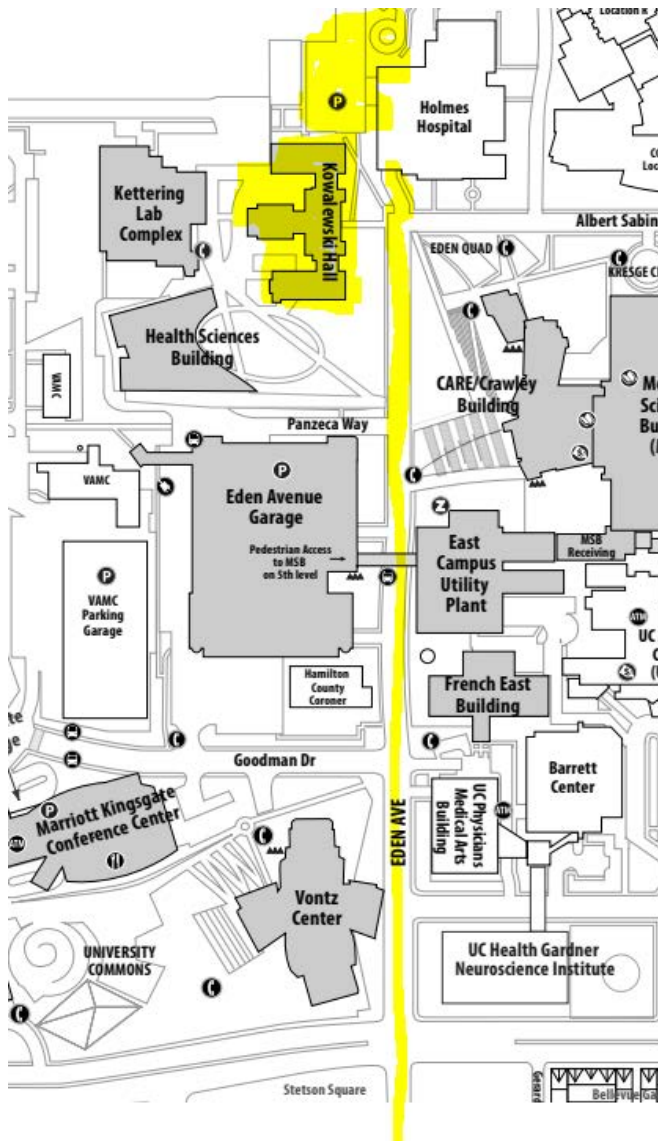

Directions from the Graduate Cincinnati to the OHDSA Simulation Friday, 2/23/24.

Exit the Goodman Drive side of the hotel and go one block to the right (east). At the traffic light (Eden Avenue), cross the street to the left and head north, park in the **Eden Garage**. Directly across the street is the CARE/Crawley Building. If you don't want to walk up all of the steps, there is a ramp at the north end of the street that goes into the building. Once you enter the CARE/Crawley Building, walk straight thru to the main hallway. Keep walking straight until you come to the red brick elevator which will be on your right. Continue straight until you see the sign to the UC Simulation Center. The Clinical Skills Lab is on the left, outside the double doors leading to the Simulation Center Room E-055. Look for signs inside the building.

Directions from the Graduate Cincinnati to the OHDSA Meeting Saturday, 2/24/2024.
Kowalewski Hall Main Auditorium Room 140

Exit the Goodman Drive side of the hotel and go one block to the right (east). At the traffic light (Eden Avenue), head north and park in the **Holmes Parking lot** to the right of Kowalewski Hall. You may also park in Eden garage. Pass Vontz Center and continue towards Holmes Hospital and the James L. Winkle College of Pharmacology building is on the left. Kowalewski Hall is inside the Pharmacology building. When entering the doors go straight through the main hallway. Pass some small offices and a small seating area. Keep walking straight until you come to the wall with wavy designs. Room 140 says Active Learning and has doors on both sides to enter.

Dr. Hechler's practice has also included routine outpatient oral and maxillofacial surgical procedures in the office and ambulatory surgery settings. Dr. Hechler's research and publication interests have included disorders of the temporomandibular joint, head and neck cancers and tumors, bony facial trauma and pathology, and anesthesia. Dr. Hechler is a frequent guest on the podcast, *Everyday Oral Surgery*. Currently, Dr. Hechler resides in Belmont, North Carolina with his wife and two children.

Rosie Mays, BS is ODSA Executive Director and Program Administrator for the University of Cincinnati Medical Center OB and RAAPM Fellowship, Cincinnati, Ohio.

Leroy Mendell, RN BS is Training Site Coordinator and Nurse Educator retired from the Cincinnati VA Medical Center. He is a Regional Faculty in ACLS and BLS for the AHA since 1991. He uses simulation in conducting mock codes at the VA. He is on the Ohio Emergency Cardiac Care Committee.

James A. Phero DDS, MD, is an Oral and Maxillofacial Surgeon whose clinical practice focuses on corrective jaw surgery, facial trauma and reconstruction, temporomandibular joint surgery, and the management of benign head and neck pathology. He has been active in academic education, research, and administrative activities since joining UC Health. Dr. Phero is active at UC Medical Center and nationally in team simulation training for evaluation and management of medical emergencies. He is an American Heart Association (AHA) Instructor in BLS, ACLS, and PALS. He is the president of the ODSA and an ADSA board member.

James C. Phero, DMD is Professor Emeritus Anesthesiology, Department of Anesthesiology, College of Medicine, University of Cincinnati Academic Health Center, Cincinnati, Ohio. He is on the Advisory Board and Annual Session Chair of ODSA. He is Past-President of ADSA, IFDAS, and ODSA.

Patrick Reilly, EMT-P, BA is an Instructor at the Center for Professional Growth & Innovative Practice, at the University of Cincinnati Medical Center. He is American Heart Association Regional Faculty for Advanced Cardiovascular Life Support (ACLS), Basic Life Support (BLS), and Pediatric Advanced Life Support (PALS), and has served as the Lead Instructor for the 2013 - 2016 Incoming Resident Physician classes for ACLS and BLS certification.

Joel Weaver, DDS, PhD is Professor Emeritus, Colleges of Dentistry and Medicine, The Ohio State University, Columbus, Ohio. He is ODSA Treasurer and Past Editor-In-Chief of the ADSA's journal "Anesthesia Progress". He is Past President, ADSA, ASDA, and ODSA.
