Dear Sisters and Brothers,

In today's gospel Jesus tells the crowd that they are the salt of the earth. It is easy to know if salt has been added to a dish but only after you taste it. Our purpose in life, like salt, is to make a difference by how we act and not what we claim. If you are of a certain age, you may remember a poster that was often outside churches. It read "if you were accused of being a Christian would there be enough evidence to convict you?" These readings call us to ask ourselves this question. [Adapted from this week's Prayer Resources]

Making the Vision a reality – from reflection to action

Over the past year, the Cluster Pastoral Council has been working on the actions required to help make the "Vision" a reality. Nobody can have missed our renewed focus on welcome, but there is a lot else getting under way, if not always so visibly. Read more about this here [[link to website https://www.southedinburghrc.org.uk/cluster-information/cluster-pastoral-council/updates-2026](https://www.southedinburghrc.org.uk/cluster-information/cluster-pastoral-council/updates-2026) printed insert for paper newsletter]. More importantly, as we move from reflection to action, we invite you reflect on your own gifts and talents and the part you can play in helping to build God's

kingdom here in South Edinburgh. We will say more about this when Council members make a short presentation at the masses this weekend and next.

Sacrament of the Sick (Anointing)

If you have a **planned admission to hospital** and would like to receive the Sacrament of the Sick (anointing) before you go into hospital, please approach Fr Alex in the sacristy, before or after Mass. If you are **admitted to hospital** and would like to see a priest, please speak to the nurse in charge on your ward and he/she will arrange for one of the priests on the hospital chaplaincy team to visit you.
