Charter Itinerary Description:			

RATES (See also Payment and Cancellation policies: www.denurecharters.com/payments)

The rates for bus charters are dependent on several factors:

- Time of year, vehicle availability, and duration of the charter
- Whether a layover or a deadhead is involved
- Volume – Charter clients contracting multiple trips in a year may be given a special rate.

Other factors contributing to the cost:

- **TOLL ROADS**, especially the 407, can reduce travel time, but there will be an additional cost for the tolls.
- **FEES & CHARGES**: Examples are parking, airport fees and overnight accommodations for the driver.
- **TIPS**: For one-day charters, a tip for the driver will be included in the price. For multi-day charters, depending on the nature of the charter, tips may be included in the price or paid by the passengers.
- **WI-FI**: Depending on the vehicle(s), cellular wireless internet is an optional add-on.
- **DAMAGE DEPOSIT**: A minimum of \$500 will be charged to the credit card on file if there are damages or extensive cleaning required after the trip.

TERMS & CONDITIONS (Terms and Conditions: www.denurecharters.com/terms-conditions)

For our full Terms and Conditions, please see our web-site where a printable version is available for download.

Safety is our first priority, and it is important for charter groups to understand that the regulations with respect to driver's hours are required by law, and there are differences in the regulations between Canada and the United States. Especially for multi-day charters, it is important that the group leader/organizer reviews the itinerary with the limits of driver hours in mind.
