

LAGOONA KAHUNA CLEAN UP CHALLENGE 2026

Agua Hedionda's signature event combines hands-on action with education and fun!

Participants work together to clean up the lagoon by removing trash and invasive weeds, and compete in team-building games throughout the day. Teams are fueled with Pizza Port lunch, beverages (including Eco Water), and Handel's Ice Cream. Based on total points earned from both the cleanup and games, companies will be crowned the **Big Kahuna** and **Little Kahuna**, receiving a commemorative paddle to proudly display in their office for the year.

Your sponsorship includes several benefits (see details on the next page).

We look forward to seeing you on Friday, May 1, 2026.
