

# LAGOONA KAHUNA CLEAN UP CHALLENGE 2026

**Agua Hedionda's signature event combines hands-on action with education and fun!**

Participants work together to clean up the lagoon by removing trash and invasive weeds, and compete in team-building games throughout the day. Teams are fueled with lunch, beverages, and a sweet treat. Based on total points earned from both the cleanup and games, companies will be crowned the **Big Kahuna** and **Little Kahuna**, receiving a commemorative paddle to proudly display in their office for the year.

Your sponsorship includes several benefits (see details on the next page).

**We look forward to seeing you on Friday, May 1, 2026.**
