

# 2025 IMPACT REPORT

## Trails & Conservation

- ✓ Ensured public safety and accessibility on **3.5 miles of recreational public access easements**.
- ✓ Monitored **132 acres of open space** in the Coastal Zone.
- ✓ Installed preventative measures for coastal bluff erosion including **96 recycled oyster wattles** which repurposed **4,020 pounds of oyster shells**.
- ✓ Removed approximately **6,500 Algerian sea lavender plants** through solarization tarping techniques and hand-pulling.
- ✓ Removed **1.8 lbs. of discarded fishing line** from Hubbs Coastal Trail.
- ✓ **Removed 3,560 pounds of trash and invasive species** during Lagoon Kahuna Clean Up Challenge.
- ✓ Installed **271 native plants** along our Coastal Hubbs Trail.
- ✓ Hosted **(2) part-time fellows** in partnership with the Climate Action Corps and CA Conservation Corps.
- ✓ Imported approximately **96 tons** of rip rap rock, recycled base, and DG to repair sinkhole

A group of children are gathered outdoors at what appears to be a science or environmental education event. Some children are holding small bottles, possibly for a water sampling activity. They are smiling and engaged. In the background, there are trees and other people.

# 2025 IMPACT REPORT

## Education

- ✓ Served **8,526 students** through the Academy for Environmental Stewardship school field trips.
- ✓ Provided **38 outreach groups** with concentrated educational opportunities on Raptor Species, **totaling 1,725 people**.

## Discovery Campus

- ✓ Our daily Discover & Learn Series served over **1,126 guests**.
- ✓ **62,000 individuals served** through hands-on, excellent environmental education.
- ✓ Hosted **5,965 volunteers** across all programs and opportunities.
- ✓ **1,134 individuals** who hold a membership enjoyed Member Exclusive Hours on Wednesdays.
