Section 1: General Information

Legal Notice

ADVERTISEMENT FOR BIDS/PUBLIC NOTICE TO BIDDERS

Sealed bids will be received from qualified bidders by the City of Euclid, 585 E. 222nd Street, Euclid, Ohio on or before September 8, 2025, at 3:30 p.m. for the **2025 Citywide Street Tree Removal Program** in the City of Euclid, Ohio. Sealed bids will be opened and read publicly at the Board of Control Meeting at 4:00 p.m. on September 8, 2025. The Board of Control meets in Council Chambers at the City of Euclid Municipal Building, 585 East 222nd Street, Euclid, Ohio.

Bidders are required to use the bid forms of Request for Proposal, which are available with the bid specifications. The bid documents, specifications, and drawings may be examined without charge online www.cityofeuclid.com. All questions during bidding shall be e-mailed to urbanforestry@cityofeuclid.com. The e-mail should have the project title in the subject line.

Each bidder is required to furnish with its proposal a Bid Guarantee and Contract Bond in accordance with Sections 153.54 and 153.571 of the Ohio Revised Code. A bond for the full amount of the bid or a certified check, cashier's check, or letter of credit in the amount of 10% of the bid. Bid security furnished in Bond form, shall be issued by a Surety Company or Corporation licensed in the State of Ohio to provide said surety. The sum equal to ten percent (10%) of amount bid, payable to the City of Euclid as a guarantee that if the bid is accepted, a contract will be entered into and its performance properly secured. The Bid Bond will be returned when the Contract has been executed by the Successful Bidder, or when any Bid is, or all Bids are rejected.

The City reserves the right to accept or reject any or all Bids and waive any non-conformities or irregularities contained therein. Each proposal must contain the full name of the party or parties submitting the proposal and all persons interested therein. Each bidder must submit evidence of its experiences on projects of similar size and complexity. Each proposal must contain labels that identify the bid form and the insurance bid bond information.

Sealed bids must be marked on the front of the envelope:
"2025 Citywide Street Tree Removal Program"

All contractors and subcontractors involved with the project will to the extent practicable use Ohio products, materials, services, and labor in the implementation of their project. Additionally, contractor compliance with the equal employment opportunity requirements of Ohio Administrative Code Chapter 123, the Governor's Executive Order of 1972, and Governor's Executive Order 84-9, shall be required.

This Advertisement for Bids is issued by Patrick Grogan-Myers, Director of Planning and Development, by order of the Council of the City of Euclid, Ohio via Ordinance 73-2025.

City of Euclid Website

Introduction

The City of Euclid’s Urban Forestry Division, through the Department of Planning and Development, is soliciting proposals from qualifying and appropriate contractors for the 2025 Citywide Street Tree Removal Program.

Background

Euclid, Ohio is an inner-ring suburb in Cuyahoga County, Ohio, sharing its western border with Cleveland. Euclid is a community of approximately 50,000 residents. Euclid has a long and rich history of arboriculture, and related tree care activities.

Euclid has been Tree City USA since 1991, where the City expends at least \$2.00 per capita on tree care activities, including the maintenance of existing trees, planting new trees, removal of dangerous trees and limbs, and diversifying the City’s urban tree canopy.

With an Urban Forest Comprehensive Plan in the works, Euclid would like to move forward to implement work based upon findings of the Street Tree Inventory that was completed in the Fall of 2024. The inventory revealed the need to remove over 700 dead, dying or diseased trees. This Removal Program will address the largest of these designated trees.

Project Locations

The project locations for this Removal Program are primarily located on tree lawns throughout the City and will be divided by zones as deemed necessary and will be monitored and tracked by the Urban Forester of the City of Euclid.

Scope of Work Summary

The entity awarded this contract will be expected to provide all labor, supervision, equipment, materials and expertise required to perform the Tree Removal in the City of Euclid as specified. The work shall be performed by a company which derives the majority of its annual income from arboriculture work, and whose employees are highly trained and skilled in all phases of tree removal. Work performance and references are required. A detailed Scope of Work for each project location are detailed in **“Section 2 – Scope of Work” of this Request for Proposal.**

Guidelines and Requirements

- Sealed bids will be received from qualified bidders by the City of Euclid, 585 E. 222 Street, Euclid, Ohio 44123, on or before Monday, September 8, 2025, at 3:00 PM.
- Sealed bids will be opened and read publicly at the Board of Control Meeting on Monday, September 8, 2025 at 4:00 PM. The Board of Control meets in Council Chambers at the Euclid Municipal Center, 585 E. 222 Street, Euclid, Ohio 44123.
- All proposals must be signed by an official representative of the company submitting the proposal.
- Bids received after the deadline will be returned unopened. Bids may not be withdrawn at any time. The bids will be publicly opened and read immediately after the deadline for submission. At the time and place fixed for opening bids, the contents of all bids will be made public for the information of all bidders and other interested parties who may be present in person or by representative.
- The City of Euclid is an Equal Opportunity Employer and prohibits, in accordance with the law, discrimination on the basis of race, color, religion, military status, national origin, disability, age, ancestry, sex, sexual orientation and gender identity or expression. Minority Business Enterprises, Female Business Enterprises and Small Business Enterprises shall be afforded full opportunity to submit bids or proposals for this project.
- The right is reserved to reject any and or all proposals, including alternates, to waive technicalities or to advertise for new proposals, if in the judgment of the awarding authority the best interest of the City will be promoted thereby.
- All costs included in the proposal must be consistent with the project's Scope of Work.
 - Upon award of the project, the winning Bidder must be Registered, Licensed, and Insured per City of Euclid through the Urban Forestry Division.
 - Upon award of the project, the winning Bidder must complete a Foresters and Tree Surgeons Permit required by Euclid Codified Ordinance 909.18; the fee will be waived.
 - Subcontracting is not permitted unless proposal includes Name, Description, and Role of subcontractor. Subcontractor must be pre-approved by the City of Euclid and comply with same policies required of Contractors.
 - All budget line items must be justified in the Proposal.

Proposal Format Guidelines

All interested Bidders shall provide the City with one (1) hardcopy of their Proposal in sufficient detail and production quality to allow for thorough evaluation and comparative analysis. Such hardcopy shall be delivered in a sealed envelope to Euclid City Hall 585 E. 222nd Street, Euclid, Ohio 44123 by 3:30 PM on Monday, September 8, 2025.

- Cover letter- Submit a cover letter with a brief summarization of the Bidder's understanding of the project requirements. Include the contact information for the primary Bidder contact.
- Qualifications- Submit any relevant qualifications related to tree work to include:
 - ISA Certified Arborist
 - ISA Certified Arborist Utility Specialist
 - ISA Certified Tree Climber
 - ISA Certified Tree Worker Aerial Lift Specialists
 - Any other relevant certifications
- Methodology- Provide a basic plan of how this work will be implemented with regard to public safety, worker safety and quality of work. All work is expected to follow:
 - ANSI A300: Tree Care Standards
 - ANSI Z-133-2017 Safety Requirements for Arboricultural Operations
- Project Timelines- Provide a detailed description of the project schedule.
- References- A minimum of three (3) references, Ohio references preferred, that received similar services from the Bidder's firm/team. Include names, addresses and telephone number for each reference. The City reserves the right to contact any of the references provided. Information shall include client name, project description, project start and end dates, key staff who participated in the project, client project manager name and contact information.
- Cost Proposal- Complete the Unit Cost Contract from in the Scope of Work section of this document and include any other relevant details of the cost proposal.
- Bid Bond- Each bidder is required to furnish with its proposal a Bid Guarantee and Contract Bond in accordance with Sections 153.54 and 153.571 of the Ohio Revised Code. A bond for the full amount of the bid or a certified check, cashier's check, or letter of credit in the amount of 10% of the bid. Bid security furnished in Bond form, shall be issued by a Surety Company or Corporation licensed in the State of Ohio to provide said surety. The sum equal to ten percent (10%) of amount bid, payable to the City of Euclid as a guarantee that if the bid is accepted, a contract will be entered into and its performance properly secured. The Bid Bond will be returned when the Contract has been executed by the Successful Bidder, or when any Bid is, or all Bids are rejected.

- Performance Bond- After the award of the project, the successful bidder shall furnish a Performance Bond to the City, in the amount of One Hundred Percent (100%) of the contract price, as a guarantee of good faith of behalf of the contractor that the terms of these specifications shall be complied with in every particular.

Proposals must be submitted in a sealed envelope, clearly marked “**2025 Citywide Street Tree Removal Program**” on the outermost envelope/package to the City of Euclid Municipal Building, attention Department of Planning and Development, by 3:30p on Monday, September 8, 2025. The City of Euclid Municipal Building is located at 585 E. 222nd Street, Euclid, Ohio 44123. Sealed bids will be opened and read publicly at the Board of Control Meeting at 4:00 p.m. on September 8, 2025. The Board of Control meets in Council Chambers at the City of Euclid Municipal Building

Evaluation Criteria

The City may use some or all of the following criteria in its evaluation and comparison of proposals submitted. The criteria listed are not necessarily an all-inclusive list. The order in which they appear are not intended to indicate their relative importance.

- Compliance with RFP Requirements
- Understanding of the Program
- Recent experience in conducting similar scope, complexity, and magnitude for other agencies, as evidenced by qualifications and references responses
- Timeline for project completion
- Education background, working experience and qualifications
- Price
- References

City staff may also contact and evaluate the Bidder’s and subcontractors’ references; contact the Bidder to clarify any response; contact any current users of a Bidder’s services; solicit information from any available source concerning any aspect of a Proposal; and seek and review any other information deemed pertinent to the evaluation process. The City shall not be obligated to accept the lowest Proposal, but shall make an award which the City deems to be in the best interests of the City, in its sole discretion.

After written proposals have been reviewed, interviews with prospective firms may or may not be required. If scheduled, the oral interview will be a question/answer format for the purpose of clarifying the intent of any portion of the Proposal. The individual directly responsible for carrying out the contract for the Bidder, if awarded, should be present at the oral interview. The proposal evaluations and interviews are scheduled to be completed; a recommendation made to the Board of Control and negotiated a contract within 30 calendar days of closing date.

Qualifications

Bidders should provide the following items as part of their proposal for consideration:

- Name of company assigned contact and/or project manager, including applicable certifications listed in the **Proposal Formal Guidelines** section of this document.
- Name of on-site manager if different from assigned contact and/or project manager, including applicable certifications listed in the **Proposal Formal Guidelines** section of this document.
- Documentation of the willingness to acquire applicable licensure, bonding and insurance to do business within the City of Euclid.

Department and City Bid Procedures and Review Timeline:

- All sealed bids are due no later than 3:30 PM on Monday, September 8, 2025. Proposal must be sealed in an envelope and clearly labeled with the bidding firm's name and "2025 Citywide Street Tree Program Bid" on the front of the envelope.
- Planning and Development Department staff will unseal submitted bids at the City of Euclid's Board of Control meeting at 4:00 PM on the same day.
- Urban Forestry Division staff will carefully review and vet all submitted proposals to ensure consistency with Federal, State, and Local guidelines and requirements.
- Selection of winning proposal will be made within 30 calendar days of closing date.
- Winning proposal will be notified upon approval by the City of Euclid's Board of Control.
- Project to begin per negotiation on mutually agreed upon date with the Urban Forestry Division.
- Project to be completed per negotiation on mutually agreed upon date.

Section 2: Scope of Work

Street Tree Removals

The 2025 Citywide Street Tree Removal Program entails the removal of approximately 170 dead, dying or diseased mature street trees throughout the City, all 24” and greater DBH.

The scope of work for this contract will be for tree removal, stump grinding and restoration of the tree lawn (seed, soil & straw).

Specifications and requirements

These specifications describe the work to be performed to provide all labor, supervision, equipment, services, and expertise by one contractor required to accomplish forestry work in the City Euclid. This work is potentially hazardous, requires specific expertise and, therefore, is to be performed by a contractor who derives its major income from arboricultural work and whose employees are highly trained and skilled in all phases of tree service, including work in close proximity to utility lines. The City of Euclid will require a substantive list of work/contract references.

General Requirements

Definitions

- **Reference:** Reference to any other specifications or standards means the latest revision in effect on date of invitation to bid. This set of specifications governs when disagreement with a reference specification occurs.
- **Specified:** Means specified in a reference to bid.
- **ANSI A300:** Tree Care Standards
- **ANSI Z-133-2017:** Safety Requirements for Arboricultural Operations
- **City Administrator:** The City’s representative that will administer the technical aspects of this tree removal contract.
- **Contractor:** A company that obtains the majority of its annual revenue from pruning, removal, or maintaining trees/or shrubbery. Contractor must possess an ISA Certified Arborist License.

Locations

Removals will be limited to designated street trees located on residential tree lawns within the corporate limits of the City of Euclid. This work will require work around powerlines and other potentially hazardous situations. **A Map is on page 19. A List of Trees with addresses is on pages 20-29.**

Supervision

The contractor will consult with the City Administrator concerning details and scheduling of all work and will have a supervisor in charge at the work site to whom the City Administrator may issue directives, and who shall accept and act upon such directives. The supervisor in charge of the work crew will be able to read, write and speak English competently. A daily required form will be provided for the Contractor to present each morning at the start of work that details every location, every action and every crew member on site. This form shall be submitted at day's end along with photo documentation of completed day's work.

Daily, and before work commences, a Tree Project form will need to be submitted that will detail each exact location, all work to be performed and the names of all crew members. An electronic version of the Tree Project form will be provided by the City Administrator upon awarding of the contract for this purpose.

Inspections

The City Administrator is to be notified upon the completion of each day's work and verified what work was completed from the Tree Project form. The City Administrator will inspect work at its discretion. The City Administrator will perform a final contract inspection. Contractor will request the final inspection, in writing, at least five (5) days prior to contract ending date. **There shall be shall be check-ins at least once every four (4) weeks, or sooner, as determined by the City Administrator and the Contractor.**

Public Relations

Residents will be given prior notification of the removals by the City. However, if approached, the contractor will speak with the residents or passers-by that have questions about the work project. Anyone asking a question or voicing a complaint that the contractor cannot answer is to be referred to the City of Euclid, Urban Forestry Division.

Traffic Control

Traffic control is the total responsibility of the contractor and is to be coordinated with the City of Euclid Police Department by calling (216)731-1234. Contractor will be responsible for maintaining safe traffic control and public safety at all times during the construction process. Temporary barricades or enclosures, such as fencing, may be used to limit access to the site. Warning signs/lights and or watchmen shall be provided by the Contractor if needed to prevent injury to persons or damage to property. Coordination with the Euclid Police and Public Service Departments may be required for temporary road closures and maintenance of traffic.

Refer to the Ohio Manual of Uniform Traffic Control Devices, which by this reference is made part of this contract.

Utility Agencies

Should work occur near/around overhead or underground utility installations, the contractor is solely responsible for notifying any relevant agency, if assistance from the utility should arise.

Safety

The work performed will conform to the most current revision of the American National Standards Institute (ANSI) Standard Z-133-2017 (Safety Requirements for Arboricultural Operations) in addition to any OSHA, state, and local regulations. For reference, a copy of ANSI Z-133-2017 is on file in the City of Euclid, Urban Forestry Division, and by this reference is made part of this contract.

- a. If electrical hazards exist on a work site, tree workers must meet the requirements of OSHA's CFR 1910.269. Electrical hazards exist when a worker, tool, or any conductive object is closer than 10 feet to an energized overhead conductor of 50kV or less. Consult ANSI Z133-2017 table 1 and 2 for a complete list of approach distances and nominal voltages.
- b. Within 10 days of the acceptance of the bid award, the contractor shall certify in writing to the City of Euclid that his/her employees assigned to work on this job are either "Qualified Line Clearance Tree Trimmers" or "Qualified Line Clearance Tree Trimmer Trainees" as defined in the ANSI Z-133-2017 Standard.

Hours of Work

The Contractor will perform the majority of work Monday through Friday 8:00 a.m. to 5:00. However, the Contractor may request different work hours, subject to approval by the City of Euclid.

Pre-removal and Work Documentation

Contractor shall provide all labor, materials, equipment, and services and perform all operations necessary to furnish to the Urban Forester a complete color audio-video flash drive recording in the vicinity of the tree before removal of the tree. This recording shall include, but not be limited to, all audio-video flash drive, storage cases, video logs, and indexes. The purpose of this coverage shall be to accurately document the pre-removal/stump grinding conditions and vicinity, including but not limited to surrounding public right-of-way, roadway and curb, sidewalk, driveway and apron. The video flash drive documentation shall be done by a responsible commercial firm or person known to be skilled and regularly engaged in the business of pre-removal/stump grinding color audio-video flash drive documentation. The firm or person shall furnish such information as the City Administrator deem necessary to determine the ability of that firm to perform the work in accordance with the contract specifications.

The color audio-video recording delivered to the City Administrator shall be on a high-quality format and submitted two (2) weeks prior to the beginning of tree removal and/or stump grinding.

Removal

Only trees marked and listed as such by the City of Euclid are to be removed. No tree or trunk shall be felled onto pavement. The work sites are to be left equal to, or cleaner than, pre-work conditions. Tree parts dropped or lowered from trees are to be **kept off private property** unless written permission has been obtained from the property owner.

Wood Products (including stump grindings)

All wood products and debris, including debris from stump grinding piles, are the property of the contractor and shall be removed by the contractor, hauled out of the City and disposed of in a manner that will prevent the spread of disease. The stumps and surface roots of all trees removed shall be ground out to a minimum depth of 24 inches. Locations where stumps are ground will be replanted. Re-grinding of stumps may be needed if depth is not sufficient for tree planting. Tree roots near sidewalks/curbs must be removed either manually (Axe) or mechanically (chain saw/stump grinder). Post removal site must be level to existing tree lawn. Upon completion of removal and stump grindings, restoration (seed, soil & straw) will take place.

Daily cleanup

Contractor is responsible for removal of dirt and debris from City streets and sidewalks at the end of each day. Contractor shall secure all tools, equipment, surplus materials and rubbish and leave the site of the work in a safe and proper condition.

Damages

Damages done by the contractor to any person or property—public or private—are the sole responsibilities of the contractor, and are to be repaired, or compensated for, by the contractor to the satisfaction of both the injured party and the City of Euclid, at no cost to the City.

Coordination of Work

Work is to be completed within the agreed upon timeframe. If separate crews perform the removal operation of this contract, they alone are responsible for coordination of work schedules. Separate crews may work on separate streets, if the streets are close to each other. Each crew must complete the work on a particular street before moving to another street, unless the City gives permission to do otherwise. It is the responsibility of the contractor to notify Police, Fire and the City Administrator prior to any road closings, and subsequent re-openings, to thru traffic.

Equipment

All bidders must have in their possession at time of bidding, trucks, devices, chippers, hand tools, aerial and other equipment and supplies which are necessary to perform work as outlined in these specifications. The City may inspect such equipment or agreements prior to awarding of a contract.

Unacceptable Materials

All materials not conforming to the requirement of the specifications at the time they are used shall be considered unacceptable and shall be removed immediately unless otherwise instructed by the City's authorized representative. No materials, the effects of which have been corrected, shall be used until approval has been given.

ADDITIONAL CHARGES

All rates for portal-to-portal, delivery and energy charges and other such additional charges must be included in the total quote. Bids with separate charges will not be accepted.

BILLING

Payments

- Partial billing, but not more frequently than bi-weekly, is acceptable. Billing for work along any street may not be made until the contractor completes all work on that street, except on hourly work previously described.
- Contractor will not be paid for work unless tree removal, stump grinding to proper depth, restoration (seed, soil & straw) and complete clean-up of wood debris is done and an inspection completed by the City Administrator.
- Bills must list each and all addresses for all billed work.
- Email bills to: Jody Lathwell at urbanforestry@cityofeuclid.com
