

We need a CYO Booster Club Chairperson whose passion lies in kid's sports and building spirit and fun!

This year, we're excited to host CYO sports games at St. Joseph School!

We are seeking a dedicated Sports Fundraising Chair to help support our young athletes. This important role will raise money from spectators who come to cheer on the teams, with all proceeds helping to offset the rising costs of league participation, game operations, and referee fees.

The Sports Fundraising Chair will be responsible for planning, coordinating, and overseeing fundraising activities to support our CYO sports teams. This includes organizing events and initiatives designed to generate essential funds to ensure the continued success of our program.

Event Management:

They organize and manage fundraising events, such as auctions, raffles, game-day fundraisers, or crowdfunding campaigns.

Sponsorships and Donations:

The chair actively seeks out sponsorships from local businesses and individuals, as well as soliciting donations to support the team.

Volunteer Recruitment and Management:

They recruit, train, and manage volunteers to assist with fundraising efforts.

Financial Management:

The chair works closely with the treasurer to track expenses, manage funds raised, and ensure compliance with financial regulations.

Communication and Reporting:

They communicate fundraising progress to team members, parents, and the broader community, providing regular reports on fundraising activities and results.

Community Engagement:

The fundraising chair builds relationships with the community, including parents, students, staff, and local businesses, to foster support for the team.
