

Community Publishing System

CITY, COUNTY, DEVELOPMENT SOLUTIONS

The solution proposes a comprehensive system that enhances city business operations by integrating a community-focused promotional network.

ECONOMIC DEVELOPMENT SOLUTIONS

By leveraging data from the mobile app it helps identify gaps in the local market and opportunities for new or underdeveloped businesses.

COMMUNITY BUSINESSES

Remove roadblocks and foster a thriving business environment, using insights on customer activity to support better and grow the local economy.

INTEGRATION, ONBOARDING & SUPPORT

Our system is designed to support businesses from the ground up. We conduct research, oversee the initial business setup, provide ongoing support and education, and handle all network operations.
