

September 10, 2026

Dear Saint Mary's Academy Parents and Guardians,

Children need healthy meals to learn and thrive. At Saint Mary's Academy, all students can receive a healthy breakfast and lunch at no cost every school day. This program is funded through the United States Department of Agriculture (USDA) and the Commonwealth of Massachusetts.

Free breakfast and lunch for all students this school year is a confirmed benefit. To help us continue providing these meals and secure funding for future years, we need your assistance.

By completing the Meal Benefit Application, you can help:

- Sustain free meal programs at our school by increasing access to federal funding.
- Increase funding for educational programs that benefit our students and community.
- Support access to free summer meals for children and free meals for children in childcare programs throughout our community.

Please complete the form and return it using the link on our website. Under “Enrolled Students” and “School Lunch Programs” and there will be a link on the right hand side to the “2026-27 Application for Free and Reduced-Price School Meals.” Once completed, you can email the form through the “Lunch Application Submission – Secure E-mail” button.

Thank you in advance for all your help!

Sincerely,

Catherine Landry

Principal
