CPR Classes at SPBTL The Mission Outreach Team will be hosting CPR classes on November 7th.

These classes are fundraisers for a local non-profit organization called "Eyes of Ian Project". For background, in 2011, Ian Maddox was an 8yr old student at Pumpkin Center who died because he didn't get CPR quickly enough. So Lincoln County residents Kevin Johnson and his wife started "Eyes of Ian Project".

The project supports a group of American Heart Association instructors who volunteer their time to offer classes for staff at all Lincoln County Schools. The course offering is free of cost for the school system. Staff are taught and demonstrate proper technique in performing compressions, giving breaths, using an AED, and choking prevention. Upon completion, staff are certified in Basic Life Support Skills.

To offset costs, Kevin and his wife offer an abbreviated (non-certification) class to community organizations such as churches, businesses, and scouts groups at a nominal fee/donation of \$10/person. These are the classes to be offered at SPBTL on Nov 7th.

Two hour-long classes will be held, one at 2pm and another at 3pm. Each class has a maximum of 15 participants. If you are interested, sign up using this link [CLICK HERE](#)

Or Contact Pat Racz or Kate at the office to sign you up. Please contact Pat Racz with any questions at pat.racz01@gmail.com or 704-748-3327.
