THE EPISCOPAL CHURCH
OF SAINT PETER BY-THE-LAKE

The weather is finally starting to get a little cooler and the days are growing shorter. The Fall season is upon us which means that the spiritual, service, and fellowship ministries of our parish are once again in full swing. We enjoy and benefit from a variety of Bible and book studies, the parish retreat to Valle Crucis, the Fall Festival, diocesan convention, weekly celebrations of the Holy Eucharist and Thanksgiving. And this year, for the first time during the week, you can see and hear the laughter of children playing and learning downstairs in St. Peter's Preschool! St. Peter by-the-Lake is greatly and truly blessed.

This is also the time when together we embark on our journey to seeking the ministry funding of 'time, talent, and treasure' for the upcoming year. It's always a time to remember and celebrate all the ministry that together we render to God's glory, and to continue to build of firm foundations that were first laid over 50 years ago.

Our stewardship theme this year comes from a play, or paraphrase, on the words of Jesus Christ himself. When speaking about the needs for ministry in the world around him, Jesus told his followers that "The harvest is plentiful, but the laborers are few." Our theme this year echoes that reality, but also the reality that all that is needed to fulfill our ministries are already present within ourselves: "The harvest is plentiful, and the laborers are YOU."

For me, this is simply a reminder that every person in the Church has been given a variety of gifts, skills, and interests that can and should be put to use for the building of God's realm in this world. There are those who love and benefit from increasing knowledge of the Bible and who love to discuss and learn the

scriptures. There are folks here who love to serve in mission and outreach through things like the East Lincoln Christian Ministries, Corner Table Soup Kitchen, Hesed House for the Homeless, Answered Prayers ministry and the Backpack for Kids program. Others benefit spiritually from helping to ensure that worship happens through things like the Altar Guild, Lay reading, singing and ringing bells, chalice bearing, acolyting, ushering, and ensuring that our building and grounds are always in order. Many here have been so incredibly generous in giving both of time and money to St. Peter's Preschool. All of this taken together means that we will always welcome the new member, the stranger, the outcast, the foreigner, and those who may be hurting in our midst. The examples of ministry are deep and devoted.

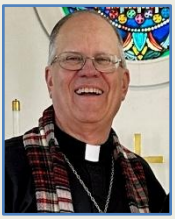

Looking out into our community and beyond, there is no doubt that the harvest is indeed plentiful. In our often divided and polarized world, people are looking for a spiritual connection. They are looking for welcome and inclusion. They are looking for something rooted and ancient that offers hope and Good News for weary spirits. We have those things right here! And it is up to each and every one of us to be the vehicles by which people are welcomed, included, loved, accepted and equipped for ministry. We, all of us, are the spiritual laborers here at St. Peter by-the-Lake.

So this fall, I encourage everyone to recommit, to prayerfully consider your gifts back to God through the ministrations of the Church. Then take the next step and turn in your pledge and time/talent information. Every kind of gift, no matter how large or small, is vital to the health and growth of the Church in this part of God's Kingdom. Thanks so very much! And may God continue to bless us as we take our faith journey together.

Faithfully,

Father Ron

Lake Reflections

from Fr. Nick

For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them. ~ Ephesians 2:10

As I write this in late September, we've been promised a week of high temperatures in the 70's, so I'm hopeful that we'll be enjoying cooler nights around the fire table soon. Contemplating the return of autumn reminded me of my first part-time job during seminary. I was at school in New England at the time, and my client was semi-retired professor of psychiatry. He'd advertised for a handyman who could do light chores, but when he interviewed me, he had only one thing that he needed really done well.

He entertained friends frequently in the fall and winter and enjoyed the ability to light a fire in any of his numerous fireplaces with certainty that it would light easily and burn a long time. I found the task a little daunting, but the Boy Scout in me was intrigued with the challenge of laying the perfect fire.

Late each week, I would lay a fire in each of his four fireplaces and then hold my breath until my return the next week, hopeful that each fire had ignited and provided the atmosphere he longed for among his guests.

Having survived that first winter of fire building, I left his employment when I transferred to Virginia Seminary the following summer. For someone who had always prided myself on my spontaneity and ability to "fake it 'til I made it," my psychiatrist-

client might have been the perfect match that first year. He taught me the importance of having everything needed at-hand; the value of thinking the process through from start to finish; and the dignity that was imparted by doing the job right the first time, so that I could step away, confident that the desired outcome would be achieved. May you, too, enjoy a roaring fire in the near future!

~ Fr. Nick McDonald

According to the grace of God given to me, like a skilled master builder I laid a foundation, and someone else is building on it. Each builder must choose with care how to build on it. ~ 1 Corinthians 3:10

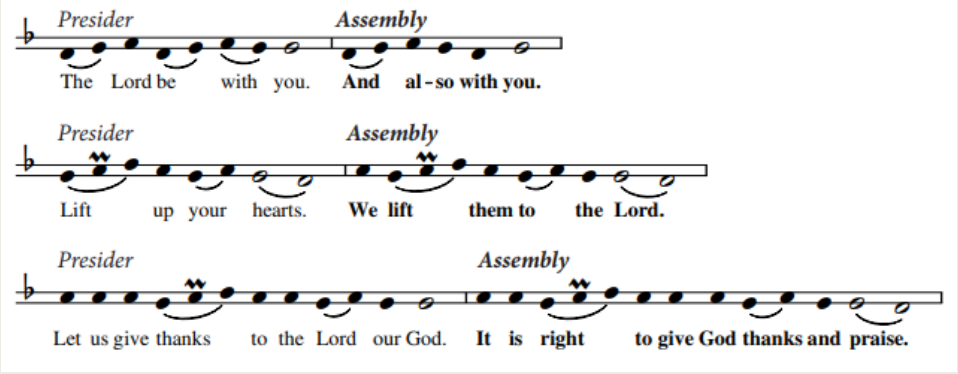

Music Notes

THE LORD BE WITH YOU

This Fall at the 10:30 AM service, we are introducing a beautiful, ancient practice to our liturgy: **singing the Sursum Corda** (*"Lift up your hearts"*).

This opening dialogue of the Great Thanksgiving has deep roots stretching back to ancient Jewish praise and early Christian worship. While we say these words every week, singing them connects us to centuries of tradition. You can find the music in *The Hymnal 1982* at **S-120**, starting with *"The Lord be with you."*

If you want to practice or listen to a recording before Sunday, **click here.** Or copy and paste the Facebook Reel link into your browser:

New Season, New Opportunities

Kingdom Kids: A Wonderful Beginning!

Kingdom Kids is off to an amazing start! We're beginning at the "genesis" and journeying through the Bible to explore who God is and the origins of it all. This season, the children will memorize a new scripture every four weeks, emphasizing the book and chapters they are studying.

This is where it all begins in Kingdom Kids,
and **they need YOU!**

- Help them learn, grow, and be disciples.
- Join in the fun and educational activities.

Where else can you color on the floor, race down the halls, and laugh so hard that the adults upstairs feel a bit envious?

EYC Kicks Off: Join Us for an Exciting Year!

EYC began on August 30th, and we are thrilled about our upcoming year with the youth. If you have a student in 6th to 12th grade, we warmly invite you to bring them to a safe and enjoyable environment where they can learn more about God and make new friends.

What We Offer:

- Meeting Schedule: Every other week for 2 hours 5pm-7pm

- Activities: Dinner followed by an engaging, interactive lesson
- Purpose: To help your preteens and teenagers live a life dedicated to Christ

We are also seeking a few more leaders to support and connect with these young individuals. If you are interested, please don't hesitate to reach out to me or Father Ron!

Exciting Updates from Preschool!

Preschool started on **September 8th**, and we're thrilled to announce our growth! We now have **nine children** enrolled and are currently seeking another assistant teacher. If you know someone who would love to support and nurture our little ones, please send them to Ms. G!

How You Can Help

If you're wondering how to contribute, we kindly ask for your prayers:

- For our teachers during this inaugural year
- For our students as they embark on their learning journey
- For continued enrollment growth

As always, your generous donations to the preschool are immensely appreciated and make a positive impact on our community. Thank you all for your kindness and support!

Upcoming Events!

This year, we're thrilled to head back to Valle Crusis to enjoy the crisp fall air and breathtaking scenery. Join us for laughter, fun, relaxation, and opportunities to meet new members while reconnecting with old friends. My family and I attended last year and had a blast, hiking the trails and learning about our wonderful parish. I hope to connect with more of you as we take time to be still and rejuvenate! Oh, and this year, I'm bringing a PIYO class to the retreat at the Labyrinth—a weekend you won't want to miss!

- **Fall Fest!**: Our annual Fall Fest will be held on **October 24th** from **2-5 PM**. We'll continue our tradition with a Trunk or Treat, and we need your help to volunteer by opening your trunks and decorating for the kids. During Fall Fest, we will also host a Blessing of the Animals. This year, expect fun activities, a big bounce house, a Girl Scout bake sale, games, face painting, and possibly even a dunk tank! Mark your calendars—you won't want to miss it! Check out the signup genius to see where you can help!

- **Holiday Craft A-Thon**: It's never too early to create and celebrate the Christmas season! If you're interested in hosting a booth for a particular country, please email me. Look out for a SignUp Genius email to sign up for various volunteer positions.
- **Christmas Story Performance**: We invite everyone to join us as we share the story of Jesus's birth during our Christmas Eve service. If you've attended this service in the past, you know how wonderful the kids are, but this year, we want to include everyone in this meaningful story. Sign-ups and participation are open to all, so stay tuned for more information!

FOCUS ON MISSION - OUTREACH TEAM

And do not neglect doing good and sharing;
for with such sacrifices God is pleased. Hebrews 13:16

A monthly highlight of organizations we support with our Time, Talent & Treasure.

Lincoln County Coalition Against Child Abuse

Hello from your Mission Outreach team. Thank you for helping support ministries that protect and advocate for children.

This month we would like to highlight our support for the **Lincoln County Coalition Against Child Abuse**, a nonprofit organization dedicated to preventing child abuse and neglect and responding when children have been harmed.

Through its Child Advocacy Center, the Coalition provides a safe, child-friendly environment where young victims can receive forensic interviews, referrals for medical care and therapy, and ongoing support for both children and non-offending family members. Their coordinated, trauma-informed approach helps minimize additional harm while promoting healing.

For more information, click here: https://cac-lincolncounty.org/. Or reach out to Ross Bulla to learn more about this critical local ministry.

You can find hard copies of SPBTL Support Applications in the Mission Outreach mailbox in Fotinos Hall, or you may drop a note in Libby Motto's mailbox and Mission Outreach will reach out to you to see how Mission Outreach may help an organization that you support.

CPR Classes at SPBTL

The Mission Outreach Team will be hosting CPR classes on November 7th. These classes are fundraisers for a local non-profit organization called "Eyes of Ian Project".

For background, in 2011, Ian Maddox was an 8yr old student at Pumpkin Center who died because he didn't get CPR quickly enough. So Lincoln County residents Kevin Johnson and his wife started "Eyes of Ian Project".

The project supports a group of American Heart Association instructors who volunteer their time to offer classes for staff at all Lincoln County Schools. The course offering is free of cost for the school system. Staff are taught and demonstrate proper technique in performing compressions, giving breaths, using an AED, and choking prevention. Upon completion, staff are certified in Basic Life Support Skills.

To offset costs, Kevin and his wife offer an abbreviated (non-certification) class to community organizations such as churches, businesses, and scouts groups at a nominal fee/donation of $10/person. These are the classes to be offered at SPBTL on November 7th.

Two hour-long classes will be held, one at 2pm and another at 3pm. Each class has a maximum of 15 participants. If you are interested, sign up ASAP using this link CLICK HERE.

Please contact Pat Racz with any questions at pat.racz01@gmail.com or 704-748-3327.

THE STEWARDSHIP CORNER

The 2027 stewardship theme for St. Peter-by-the-Lake is:
"The harvest is plentiful, and the workers are you."

The Bible relates in Matthew 9:37: "The harvest is plentiful, and the workers are few." Jesus was explaining to his disciples that the "harvest" referred to the vast number of people ready to hear the Good News. He claimed people were open to receiving God's love, learning about His plan for our salvation, and understanding His enduring love for us.

Jesus's point was that the few workers were not enough to reach the plentiful harvest. He went on to tell his disciples, *"Therefore pray earnestly to the Lord of the harvest to send out laborers into His harvest."*

This metaphor conveys urgency: just as crops in the field must be harvested before they spoil, souls must be reached while they are ripe for the picking, or open to receiving God's message. Many people in the world, and in our own community, are spiritually hungry and in need. The workers represent those of us who will answer God's call to share His message of love and salvation. The key word is "us."

Our 2027 stewardship theme intentionally alters Matthew 9:37:

"The harvest is plentiful, and the workers are YOU."

We are all called to recognize the need to serve others and share the Gospel. We can pray to become one of the workers sent into the field. We can answer God's call by stepping up to solve the problem through ministry and service. What are **we** willing to do in 2027 to become part of the solution?

Faithfully,
Tricia Wagner
Stewardship Committee Member

Advent 2026

Advent Season will be starting in **a few weeks,** and we are looking forward to celebrating the birth of our savior, Jesus Christ. We are starting preparations to publish **the 26th edition of the Advent Devotional. We would really like to have you participate by writing a devotion about memorable past Christmases / traditions , Advent Season thoughts, and favorite scriptures**.

One of the things that makes our Advent devotional so special is that it comes from the hearts and faith experiences of our own parish family. As we read a different reflection each day, we are reminded of the many ways God is working in the lives of those around us, enriching our own Advent journey. . So please take a few moments and write a devotion. It does not have to be long or a "Biblical Epistle", **just from you !** This year we would like to make an extra special request to **help your children write a devotion also ! Devotions written by our youth are "special" and enriches our Advent experience.** Please complete and submit by November 11th. If you have any questions, please contact us. **(704) 663-9004**.

Jeanne & Bud Hawkins

P.S. Please place devotion in our Church mailbox, or transmit via E-mail, word format to **budhawkins@charter.net** Thanks, in advance, for your support !

P.S. Continuing from last couple of years. We are also asking the SPBTL artistic community to create Nativity Artwork of various forms which will be included in this year's devotional. (We are not looking for "Hallmark card art". Just productions of Nativity scenes / Christmas artwork created by you or your family). Artwork from your children are very special treasures to include & share with all!

Jean Hatley 90th Birthday Celebration

Please join us as we celebrate Jean's 90th birthday! All are welcome to help celebrate this special milestone as Jean is surrounded by family, friends, and her church family. **Saturday October 10th at 2:00 pm in Furr Hall.** Please RSVP by 10/1 to Lindsay Hatley (text)980-429-8636 or email Lindsm79@yahoo.com so they can plan accordingly.
