It is you, Lord, Who came to save
The heart and soul of - every man
It is you Lord, Who knows my weakness
Who gives me strength with- Thine own hand.

3

Lead Me on Lord, From temptation
Purify me, From within
Fill my heart with, Your holy spirit
Take away all my sin

AED and CPR Classes at SPBTL The Mission Outreach Team will be hosting on Nov 7th.
These classes are fundraisers for a local non-profit organization called "Eyes of Ian Project". For background, in 2011, Ian Maddox was an 8yr old student at Pumpkin Center who died because he didn't get CPR quickly enough. So Lincoln County residents Kevin Johnson and his wife started "Eyes of Ian Project".
The project supports a group of American Heart Association instructors who volunteer their time to offer classes for staff at all Lincoln County Schools. The course offering is free of cost for the school system. Staff are taught and demonstrate proper technique in performing compressions, giving breaths, using an AED, and choking prevention. Upon completion, staff are certified in Basic Life Support Skills.
To offset costs, Kevin and his wife offer an abbreviated (non-certification) class to community organizations such as churches, businesses, and scouts groups at a nominal fee/donation of $10/person. These are the classes to be offered at SPBTL on Nov 7th.
Two hour-long classes will be held, one at 2pm and another at 3pm. Each class has a maximum of 15 participants. If you are interested, sign up using this link CLICK HERE or Contact Pat Racz or Kate at the office to sign you up. Please contact Pat Racz with any questions at pat.racz01@gmail.com or 704-748-3327.

ADVENT 2026 - Advent Season begins November 29th**,** and we are looking forward to celebrating the birth of our savior, Jesus Christ. We are starting preparations to publish **the 26th edition of the Advent Devotional. We would really like to have you participate by writing a devotion about memorable past Christmases / traditions , Advent Season thoughts, and favorite scriptures**.

One of the things that makes our Advent devotional so special is that it comes from the hearts and faith experiences of our own parish family. As we read a different reflection each day, we are reminded of the many ways God is working in the lives of those around us, enriching our own Advent journey. So please take a few moments and write a devotion. It does

not have to be long or a "Biblical Epistle", **just from you!** This year we would like to make an extra special request to **help your children write a devotion also! Devotions written by our youth are "special" and enriches our Advent experience.**

Also, Continuing from last couple of years. We are also asking the SPBTL artistic community to create Nativity Artwork of various forms which will be included in this year's devotional. (We are not looking for "Hallmark card art", just productions of Nativity scenes / Christmas artwork created by you or your family). Artwork from your children are very special treasures to include & share with all!

Please complete and **submit by November 11th**. If you have any questions, please contact us at **(704) 663-9004**. Please place devotions in our Church mailbox, or email in Word format to **budhawkins@charter.net**. Thanks, in advance, for your support!
