EXAMINATIONS BY PSI SERVICES LLC

This Candidate Information Bulletin provides you with information about the examination and application process for obtaining a real estate license in the State of Kentucky.

Kentucky state laws stipulate that a person may not act as a real estate sales associate or broker without first obtaining a license issued by the Kentucky Real Estate Commission. To be licensed, you must pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes, and regulations relating to real estate.

The Kentucky Real Estate Commission has contracted with PSI Services LLC (PSI) to conduct the examination testing. PSI provides examinations through a network of computer examination centers. PSI works closely with the State to be certain that examinations meet local as well as national requirements in basic principles and examination development standards.

Following are the Kentucky real estate licensing examinations offered by PSI:

- Sales Associate
- Broker

All questions and requests for information about licensure should be directed to the Kentucky Real Estate Commission

Kentucky Real Estate Commission

EDUCATIONAL REQUIREMENTS FOR LICENSURE

Sales Associates

All candidates for the Kentucky sales associate real estate license are required to complete the following educational requirements:

- Six (6) semester credit hours in real estate from an accredited college or university.
or
- Ninety-six (96) clock hours in real estate from a Kentucky-approved private real estate school.
and
- Proof of high school graduation or successful completion of the General Education Development (GED) test. In lieu of proof of high school education, candidates may submit an official transcript that indicates successful completion of twenty-eight (28) academic semester hours or the equivalent from a post-secondary institution. This documentation **must** accompany the application for licensure. If the education proof (high school or college) is from a foreign country, candidates should contact the KREC office for information on the required documentation that must be submitted.

Brokers

Broker candidates should request an education review by completing form #603, available on the Kentucky Real Estate Commission website (www.krec.ky.gov) in the Online Document Catalog. Candidates should send the form and check, as outlined, to the KREC for a review to ensure that the education requirements have been fulfilled before they schedule for an examination.

Broker candidates must have worked an average of twenty (20) hours per week for twenty-four (24) months as a sales associate before applying for a broker license. All candidates for the real estate broker license in Kentucky are required to complete the following educational requirements:

- Twenty-one (21) semester credit hours from an accredited college or university. This must include a minimum of twelve (12) semester credit hours in real estate courses.
or
- Three hundred thirty-six (336) clock hours in real estate from a Kentucky approved private real estate school.
or
- A combination of credit hours/classroom hours in real estate courses (12 credit hours/192 classroom hours) and nine (9) college elective hours in any topic.

Note: one semester hour is the equivalent of 16 classroom hours in a proprietary school.

KENTUCKY LICENSING REQUIREMENTS

An applicant for a broker's license will not be permitted to make a reservation for the broker's exam nor be eligible for a broker's license unless he/she has completed, as part of the required real estate hours, a Kentucky-approved or accredited real estate brokerage management course. This class must consist of three (3) semester credit hours or forty-eight (48) classroom hours.

Candidates must apply for licensure within sixty (60) days of passing the examination.

The broker applicant is responsible for submitting all real estate education documents and college transcripts for elective hours to the KREC. Continuing education courses will not fulfill this requirement.

DOCUMENTATION OF REAL ESTATE EDUCATION

The official documentation of the real estate education hours will consist of either an official transcript from the college or university or a course completion certificate from a Kentucky-approved real estate school.

CANDIDATES WHO HAVE HELD A LICENSE IN ANOTHER STATE

Any candidate who has ever held a real estate license in another state (regardless of whether the license is active or has been canceled) **must** provide a written "Certification of License History" from the licensing agency in that state. This document must be attached to the application and is only valid for ninety (90) days.

CANDIDATES WHO LIVE OUTSIDE KENTUCKY

Applicants who do not reside in Kentucky must complete and attach, as part of the license application, a "Consent to Service of Jurisdiction Form." This form can be found in the Online Document Catalog on the KREC website (www.krec.ky.gov), Document #407.

LICENSE RECOGNITION CANDIDATES

If you are applying for a Kentucky broker or sales associate license under Kentucky license recognition, the state law portion of the examination is required as part of the licensing process. Please register to take this portion of the exam by requesting either the Sales - License Recognition Exam or the Broker - License Recognition Exam.

Please refer to the "License Recognition Application Information" section of the KREC website for instructions and forms. Any questions on the process should be directed to the KREC License Department staff.

Candidates applying under one of these agreements **must** be actively licensed in another state, obtain a criminal background check, and obtain certification of license history to apply. The candidate's license cannot be canceled, in escrow, in retirement, or otherwise in an inactive status that would prohibit the performance of brokerage activity. Candidates applying under license recognition must bring a copy of their license or certificate of licensure to the test center to be administered only the state portion of the examination.

ERRORS AND OMISSIONS INSURANCE

Candidates should contact the Kentucky Real Estate Commission to determine the amount of the pro-rated errors and omissions insurance premium for the month in which the license will be issued. Candidates must advise the Commission as to whether the broker's office (in which they will work) is located within the city limits or in the county, so that the correct premium may be quoted.

If the principal broker has coverage through a private carrier, candidates should obtain a "Private Carrier Certification of Coverage" form directly from the insurance carrier.

Candidates may also obtain the prorated insurance premium or the "Private Carrier Certification of Coverage" form by visiting the KREC website at www.krec.ky.gov.

CRIMINAL BACKGROUND CHECK

All persons taking the real estate examination shall submit proof of an FBI Identification Records Check as part of the application for a license. This record must indicate that there have been no felony charges or convictions at any time and no misdemeanor charges or convictions within the past five (5) years.

Applicants must complete the fingerprint process and mail a request for the records check before they schedule for an examination.

If there is no record, the report and fingerprint card must be attached to the application for a license and forwarded to the Commission along with the other required documents and fees.

If any charge or conviction appears on the record, the report must be submitted to the Commission within five (5) days of receipt of the report. The Commission will then require that the applicant complete a Privacy Act Waiver and will begin an investigation into the charges or convictions. Following the completion of the investigation, the applicant will either be allowed to continue with education and examination or directed to appear before the Commission for a hearing.

Persons with any felony conviction or certain misdemeanors **should not** enroll in classes and/or pay tuition or fees for courses or take the examination until the Commission has determined their eligibility for a license. **Those who continue with classes and take the examination do so at their own risk.**

The pre-license education provider is required to furnish the applicant with a written document (see Criminal Background Check on www.krec.ky.gov) prepared by the Commission to further explain this requirement. If the applicant receives an FBI report indicating that the prints are unreadable, he/she should refer to this document for further instructions on action to take. The report is valid for six (6) months.

ISSUANCE OF A LICENSE

The passing score report/license application will include a list of all items that must be forwarded to the Commission for issuance of a license. Applications that do not contain all of the necessary documents will be returned for correction.

Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

TEST QUESTION SCREEN

The "Function Bar" at the top of the test question provides mouse-click access to the features available while taking the examination.

DUPLICATE SCORE REPORTS

You may request a duplicate score report after your examination by emailing scorereport@psionline.com or call 800-733-9267.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Only consider the actual information given in the question, do not read into the question by considering any possibilities or exceptions.
- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

Now you can take the practice examination online at www.psiexams.com to prepare for your Kentucky Real Estate Examination.

Please note that practice examinations are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination for the general portion. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination.

Note: You may take the practice examinations an unlimited number of times; however, you will need to pay each time.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

EXAMINATION REVIEW

PSI, in cooperation with the Kentucky Real Estate Commission, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. While taking the examination, examinees will have the opportunity to provide comments on any questions. Comments may be entered by clicking the Comments link on the function bar of the test question screen.

These comments will be analyzed by PSI examination development staff. PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. This is the only review of examination materials available to candidates.

SCORE REPORTING

In order to pass the examinations, you must receive a score of at least 75% correct.

Your score will be given to you immediately following completion of the examination. The following summary describes the score reporting process:

- **On screen** - your score will appear immediately on the computer screen. This will happen automatically at the end of the time allowed for the examination;
 - If you **pass**, you will immediately receive a successful notification.
 - If you **do not pass**, you will receive a diagnostic report indicating your strengths and weaknesses by examination type with the score report.
- **On paper** - an unofficial score report will be printed at the examination site.

EXPERIMENTAL QUESTIONS

These questions will not be scored and the time taken to answer them will not count against testing time. The administration of such unscored, experimental questions is an essential step in developing future licensing exams.

The examination content outlines have been prepared and are periodically updated by committees of professionals who are subject matter experts in real estate practice, real estate instruction, and regulatory issues. The examination content outlines these professionals have prepared identify areas of importance to licensees in order for them to perform their duties to the public in a competent and legally responsible manner.
