**Legion Park**  
**Gunnison CO**

Thank you for considering support of the Gunnison Arts Center's  
2026 Summer Concert Series.

This beloved community tradition brings people together all summer long through live music, connection, and shared experience, completely free and open to all. Keeping this series accessible, vibrant, and sustainable year after year is only possible through the support of local partners like you.

This season features 8 concerts, each designed with something for everyone. Live music, activities for kids, and a welcoming, family friendly atmosphere make Sundays in Gunnison truly special.

As a sponsor, your business will receive strong local visibility and meaningful connection with both residents and visitors, while helping sustain a historic and impactful community event. Each concert also includes local vendors, food trucks, and nonprofit partners, creating a lively, high traffic environment for engagement.

Your investment directly supports artist fees, lodging for traveling musicians, production, marketing, and all the behind the scenes work that keeps this series thriving.

Together, we can keep Sundays at 6 free, fun, family friendly,  
and full of music for everyone.
