

Self-assessment

Your details

Name of Autism Ambassador

Date of self-assessment

Name of organisation and role held within the organisation

or tick if you are a community Autism Ambassador (i.e. not part of an organisation)

Address

Email

Phone

Initial date you became an Autism Ambassador

Most recent date you attended one of our Autism Ambassador event

Are you happy for us to circulate your contact details to other Autism Ambassadors?

Be Proud

Describe the activity you have undertaken in the last year to support our Autism Ambassador Scheme. This could include activity identified in your initial agreed 'I Wills'. What difference do you think it has made for people with autism? What difference has it made for your organisation? What are you most proud of?

Be Honest

We're listening! Your honesty and constructive feedback is welcomed. Please tell us any challenges you have faced in being an Ambassador promoting *Think Autism*. Is there anything you feel the scheme can do to help? How was the initial training? Did it equip you for the role? What else would you like to see included now you have been an Ambassador for some time?

Be Bold – your new 'I Wills'

Go on, be bold! Please identify the new 'I Wills' you plan to undertake in the coming 12 months to promote *Think Autism*. This could include asking a person with autism to review the service you provide or provide a talk to a voluntary community group, have autism awareness introduced in your organisations induction programme, identify a quiet area for people with autism, set up employee network or any other ideas you can come up with.

Think about **WHAT** you are going to do

Think about **HOW** you are going to do it

Think about **WHEN** you are going to do it

I will...

Thank you for being honest. We look forward to hearing how you get on over the next year. We will use this information to shape future development days for Autism Ambassadors.
