Exceptional value

Cw's 2 Diamond  doors offer a wider variety of styles and features. Lovely oak, aluminum and steel frames come in several popular finishes and styles. Cw's oak doors are hand sanded and stained and come in a range of wonderful wood tones, from the more traditional Medium and Dark Stains to the Whitewash and Clear Acrylic Sealer.

Our popular frameless Brittany<sup>™</sup> Bypass is available with beautiful 1/2" bevel along vertical edges and beveled mirror fascia for that crowning touch!
