Duraflect® Copper-Free Mirror

Our patented process is a quantum leap in mirror manufacturing. Contractors Wardrobe® is the first in the United States to exclusively manufacture copper-free mirror.

Picture of Contractors Wardrobe®'s Klöpper Mirror Conveyor — located in Sacramento, California. The efficiencies of the line along with the "Copper-Free" chemical solution are environmentally friendly and improve the quality and life of the mirror.

- Duraflect® copper-free mirror is:**
- Warrantied right up to the ocean for a period of 5 years
 - Not affected by high humidity locations, such as bathrooms
 - Proven superior to conventional mirror in all accelerated tests
 - 2 to 5 times better than conventional copper mirror
 - Shown to dramatically reduce the appearance of black edge
 - Highly resistant to atmospheric degradation
 - Installer friendly, offering the glazier a vast range of silicone bearing adhesives
 - Highly resistant to ammonia, found in many types of cleaners

Note: Decorative mirror inserts have 400lb Category II safety backing. Printed colors shown are for representation only.

BETTER

Exceptional value

Cw[™]'s 2 Diamond **🔱🔱** doors offer a wider variety of styles and features. Lovely oak, aluminum and steel frames come in several popular finishes and styles. Our aluminum doors are made of heavy duty extruded aluminum which is carefully polished (A-1 buffed) on exterior surfaces for a brilliant, smooth finish and anodized for superb, long-lasting color.

Cw[™]'s oak doors are hand sanded and stained and come in a range of wonderful wood tones, from the more traditional Medium and Dark Stains to the Whitewash and Clear Acrylic Sealer.

Our popular frameless Brittany[®] Bypass is available with beautiful 1/2" bevel along vertical edges and beveled mirror fascia for that crowning touch! The space-saving Brittany[®] Bi-Fold makes the most of small closet openings and limited space. Choose from the following models:
