History

Christian Outreach Bible Institute started as a desire born in the heart of Dr. Joanie Greene while she was a student at Eastern Bible Institute in Irvington, New Jersey. After years of studying the Word of God, Dr. Greene received a doctorate of Philosophy in Religious Education and was directed by the spirit of the Lord to Fayetteville, North Carolina. After settling here, she Co-founded the Outreach Bible Institute which opened its doors on October 14, 1995. After serving as dean for approximately five years, Dr. Greene ventured out and founded the Christian Outreach Bible Institute in September of 2000.

The purpose of the Christian Outreach Bible Institute is to equip Christian men and women, regardless of race, ethnic origin, or denomination, for Christian service. Our school offers a wide range of courses, and degree programs. Our curriculum is prescribed to meet the need of every Christian worker. You are invited to visit our facility, meet our staff and sit in on one of our sessions. New courses are being added constantly to provide well-rounded Christian education. We invite you to come and learn how to impart biblical knowledge concisely, informatively and intelligently.

A Word from The President

In this dispensation of time, if we are ever going to reach a dying and degenerated society, it is going to take the power of the Holy Spirit, the Word of God and men and women who have studied to show themselves approved unto God, workmen who need not be ashamed, rightly dividing the Word of Truth.

Zechariah 4:6 tells us “...Not by might, nor by power, but by my spirit, saith the Lord of hosts.” And Acts 1:8 says “But ye shall receive power,

and that the Holy Ghost is to come upon you; and ye shall be witnessed unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth.” These two scriptures remind us that we have been given a charge to be witnesses for our Lord and Savior Jesus Christ, not just in our homes, nor simply in our churches or communities, but to the entire world.

The way to accomplish this charge is by the Spirit of the Lord and by equipping men and women with the proper skills and tools necessary for the task. The Lord has given us the wherewithal to accomplish the “Great Commission”. Matthew 19:26 states, “...With God all things are possible.”

The vision of Christian Outreach Bible Institute is to prepare men and women to win this generation to Christ before His imminent return. We will not only train you academically in the Word of God, but you will be trained to be led by the Spirit of God for Romans 8:14 states, “For as many as are led by the Spirit of God, they are the sons of God.”

If the Holy Spirit is prompting you to prepare yourself for service and if this sounds like the type of training you need to fulfill your God-given mission, come join the student body of Christian Outreach Bible Institute. I pray that

you seize this educational opportunity by allowing God to use us to impart to you what we have received from Him. We are dedicated to provide the very best in biblical training for all of our students. Allow our faculty and staff to help you reach your destiny in Kingdom building.

Objective

Christian Outreach Bible Institute was founded as a Christ centered educational institution that would serve all born again, Spirit filled believers. Its purpose is to provide undergraduate and graduate programs for the practitioners of Spirit-filled, faith-oriented ministry. These programs are to be effectively administered through:

1. On Campus studies
2. Correspondence studies
3. Reports and tests
4. Chapel assignments

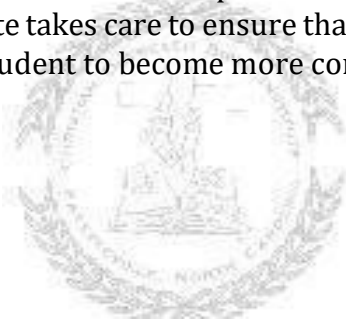

The programs are designed to develop within the student a thorough understanding of the Word of God, mastery in the art of ministry and demonstrated scholarship. This training is through solid academic studies and preparation for “real world” ministry. Only when a student has been trained in both is, he or she fully equipped for ministry to this generation.

Our Philosophy of Education

The first element in our education philosophy is *Christ*. Classes are designed to be Christ centered and Christ oriented. In order to prepare men and women of God for ministry, they must have a Christ-centered philosophy of education. This will help them develop an understanding of the scriptures in order to minister.

The second element in our educational philosophy is *Compassion*. It is essential that we train men and women of God to minister with compassion. Knowledge without the love of Christ is like education without salvation and this is a dangerous combination.

The third element in our educational philosophy is *Commitment*. Our students should be committed to Christ, His work and the great commission to go into the highways and hedges and compel men to come into relationship with Christ that his house would be filled. Christian Outreach Bible Institute takes care to ensure that textbooks and research projects cover subjects needed for the student to become more committed to Christ’s commission.
