### Ngā hua o te ako e ai ki a Taumārere

E te whānau,

This year, the kura has been working to develop Ngā Hua o te Ako e ai ki a Taumārere – a kura Aho Matua approach that clearly defines what success looks like for our tamariki, not just in what they achieve, but in who they are becoming. This builds on our commitment to seeing the whole child – their reo, identity, confidence, thinking, and connections to whānau, hapū and iwi – as central to their learning and growth.

Over the coming year, we will be refining this kaupapa with the intention of implementing it in 2027. A key part of this process is hearing from you. We will be gathering whānau voice through hui, surveys, and both informal and formal kōrero, focusing on your perspectives of your child's learning, growth, and success here at kura. All feedback will be used to inform how this kaupapa is developed, therefore, we encourage all whānau to share their whakaaro when the time comes.

This is a collective journey – we are all responsible for the growth, achievement and success of not only our ākonga but our kura as well. Nō reira kia kaha tātou.

## Emergency Closures

At Te Kura Kaupapa Māori o Taumārere, the safety and wellbeing of our ākonga, kaimahi, and whānau is our priority. The board may close the kura in the event of an emergency such as a flood, fire, epidemic, or other situation that poses a risk to health and safety. The decision to close the kura is made by the Presiding Member and/or Tumuaki, in consultation with relevant parties and authorities where possible. Factors considered include the safety of the kura environment, essential services, and the wellbeing of our kura community.

### Emergency Planning

To prepare for emergencies, we:

- Maintain up-to-date emergency contact information.
- Keep accurate attendance and visitor records.
- Have communication systems in place to notify whānau of closures.
- Have procedures for the safe reunification of tairira with their parents/caregivers.

### During an Emergency Closure

If the kura closes before the school day begins, whānau will be notified as soon as possible through available communication channels.

If closure occurs during kura hours:

- Tairira will remain supervised and safe until collected.
- Whānau will be informed of reunification arrangements.
- The kura will keep a record of who collects each tairira.
- Tairira will only be permitted to leave independently if it is considered safe and appropriate.

If a tairira cannot be safely collected, the kura will continue to provide care until suitable arrangements are made.

### Reopening the Kura

The kura will keep whānau informed of the situation and advise when it is safe to reopen. In some circumstances, learning may continue off-site while the kura remains closed.

## Hui ā whānau

Paraire 12 o Hune @ 5pm in Tangariki

Please join us as we discuss the future direction of our kura. Your whakaaro and participation are important as we work together to shape the future of Taumārere.

The hui will run alongside the Kura Teina Matariki Disco. If you are unable to attend, please send a whānau representative in your place.

If your whānau is unable to be represented, we will arrange a home visit to ensure your voice is heard.

## Te Tuakiri o te Tangata

Nā Kāterina Te Heikōkō Mataira tēnei hoahoa me ngā whakamārama e whai ake nei.

## Te Mauri

Koia tēnei taua ngao o te tangata e taea ai te kī 'ko au tēnei'. Ahakoa kei te ao kikokiko kei te ao wairua rānei, e mau tonu ana te mauri o te tangata. E kore e taea te muku.
