

✦ Private Guided Wildlife Tour at Wing's Wildlife Park ✦

Wellbeing. Wildlife. Wonderful Moments.

THE OFF MAY-AUG
SEASON 2026

Discover a truly memorable wildlife experience in Gunns Plains, Tasmania, with a 90-minute private keeper-guided tour at Wing's Wildlife Park.

Designed for couples, families, and small groups, this personalised experience offers a deeper connection with native Australian wildlife in a peaceful natural setting.

Your Private 90-Minute Wildlife Experience Includes:

-  Park entry with animal and fish food included for interactive feeding opportunities
-  Hands-on wildlife encounters with wombats, Tasmanian devils, and koalas
-  Exclusive private trout feeding experience
-  Opportunity to meet juvenile wildlife currently in care (when available)
-  Guided tour with an experienced keeper at a relaxed, unhurried pace

Throughout your visit, your dedicated keeper will share insights into native species and guide you through meaningful, close-up wildlife interactions.

Enhance Your Wildlife Experience

Add additional animal encounters and receive 15% off when booked alongside your private tour.

Your Private 90-Minute Wildlife Experience Includes:

Relaxed Tasmanian Finale

Conclude your experience with a curated tasting of local Tasmanian cheeses, seasonal fruits, artisanal crackers, and a glass of Chardonnay or Pinot Noir sourced from the Leven Valley region. After your guided experience, enjoy free time to explore Wing's Wildlife Park at your own pace.

 **Don't forget your camera—capture unforgettable wildlife moments during your visit.**
