December 2023

November has been a very eventful month for our school and classrooms. We had a great time at our Harvest Feast potluck, thank you to everyone who contributed to the classroom feasts. Classes have spent time discussing what they are thankful for, how we fill each other's buckets, by daily acts of love towards one another.

In December we will continue our discussion on the gift of giving, especially for children who are less fortunate within our community. Each year we are pleased to give back to the community by helping those in need. Be on the look out for our annual Polinsky Center Gift Giving Tree. If you'd like to participate, please grab a tag off the tree and bring in the unwrapped present, no later than **Wed. Dec. 20th in the morning**.

If you have any questions please let us know, thank you in advance!
