

Spark Your Career with Paton's Electrical Services!

Are you a motivated learner that values quality work and professional growth? Paton's Electrical Services is expanding, and we are looking for aspiring starters and 1st, 2nd, or 3rd year Apprentices to join our team!

Whether you are just starting out or looking for a better environment to complete your hours, we offer a supportive, hands-on experience across a variety of residential and commercial and industrial projects.

Why Join the Paton's Team?

- **Diverse Work:** Gain experience in everything from new builds and renovations to maintenance and specialised installs.
- **Mentorship:** Work directly alongside experienced A-Grade electricians who are committed to teaching you the right way, not the fast way.
- **Great Culture:** We take our work seriously, but we don't take ourselves too seriously. We're a team that supports one another.
- **Career Progression:** We don't just want an apprentice; we want to train a future leader of our business.

What We're Looking For:

- **Current Apprentices or Aspiring Starters:** Whether you are looking to commence your apprenticeship or are a 1st, 2nd, or 3rd-year apprentice looking for a new team.
- **Work Ethic:** Punctual, reliable, and highly motivated.
- **Communication:** A positive attitude and the ability to talk professionally with our valued clients.
- **Essentials:** A valid Driver's License and reliable transport. A White Card is a must.

How to Apply:

Ready to power up your future? We want to hear from you!
