Member of Master Electricians Australia

Paton's Electrical Services

Company Profile.

Paton's Electrical Services is a prominent electrical contractor on the Fraser Coast. Starting as a '1 man in a van', our team has expanded to over 20 employees, including fully qualified electricians, apprentices, and office staff. We are dedicated to future growth, offering opportunities for both school leavers and mature-aged workers to enter the electrical industry.

As a family-owned business, we have been an integral part of the community for over 20 years, providing long-term, cost-effective solutions for our customers. We offer a wide range of electrical services for residential, commercial, and industrial customers.

Mission, Values & Vision.

MISSION

- Our mission is to provide efficient and reliable electrical solutions to our valued customers.
- We strive to be the electrical contractor of choice and build long term relationships with our customers, based on safety, clear communication and quality.

CORE VALUES

- Integrity - apply the highest professional standard in all our dealings.
- Customer Focus - provide clear communication and transparency to build sustainable working relationships.
- Safety - committed to WPHS, risk management, continuous training and competency assessments.
- Quality - deliver high quality electrical solutions and stay up to date with the latest industry developments.
- Employee Development - improve our team through continuous training, development, promotion and professional growth.

VISION

- Provide continual education and training to our employees to remain at the forefront of the latest technologies and industry standards so we can continue to offer our superior and reliable services.
- Deliver clear and effective communication, tailoring the right solution for each electrical situation.
- Commitment to our employees by putting them first and looking out for their best interests.

Our Services.
