Families find strength and healing through ceremony.

Gathering family and friends to reminisce, to tell stories, and to celebrate the unique spirit of your loved one is an essential part of the grieving process. Remembrance is a personal journey.

When choosing cremation, use this guide to help you honor their life in a way that's as special and unique as how they lived.

STEP 1: Design a meaningful service, tribute, or gathering.

The ceremony is a way to tell your loved one's story and celebrate their life.

STEP 2: Select a personalized cremation casket or container.

The casket or container is the resting place that provides dignity to your loved one.

STEP 3: Choose a personalized memorial urn.

The selection of the urn typically complements the final placement.

STEP 4: Consider personal memorials for family and friends.

Keepsakes and jewelry are lasting mementos that will remind you of your time together.

Living Memorial®

P R O G R A M

*“I will smile when
I think of a small
sapling growing
tall over the years
to celebrate my
husband’s life.”*

The memory of your
loved one lives on with
the planting of a tree.

Batesville’s Living Memorial® program, offered through your funeral home, is a unique and special way to honor the life of your loved one. When you select a Batesville casket, container, or a full size urn, a request may be made for a tree seedling to be planted in a national forest as a living tribute and memorial to the deceased – at no additional cost to you.
