# OUR PROGRAM

The Academy of Classical Ballet is recognised for our popular Jazzarina's & Primary classes for children 1.5 to 6 years of age.

We specialise in these classes specifically designed for little ones who just love to dance.

Students in this program are encouraged to participate and develop their love of dance, music and movement all whilst learning basic technique and good quality training.

Our very experienced teachers run well organised classes confidently guiding our youngest students to follow instructions, participate and learn the basic fundamentals of dance.

Our youngest students love learning in a professional dance studio where they can be inspired by the senior students and assistant teachers who become their role models to look up to.

## TUTU TOTS
