Points of Reflection

- Cyrus was the pagan king of Persia, but when he conquered Babylon, he permitted the Jewish people to return to their homeland and worship God as they desired. For this reason, Isaiah speaks of Cyrus as having been anointed by God. He insists that God was the power behind the pagan king's success, arming him, making him king, and leading him to victory over Babylon, all without him realizing it. In a similar way, Paul explains to the Thessalonians that the gospel did not come to them only by what he, Silvanus, and Timothy told them, "but also in power and in the Holy Spirit" (1 Thessalonians 1:5). What we cannot see or hear can be even more powerful than what we can sense. Let us recognize the effect of the Holy Spirit, whom we received in baptism and confirmation, in our own lives and the lives of others.
- The Roman coin makes the "repay to Caesar what belongs to Caesar" half of this lesson easy to remember (Matthew 22:21). But sometimes we overlook the "[repay] to God what belongs to God" half (22:21). We owe our very lives to God. Created in God's image, given breath and life by our creator, we have been baptized in Christ Jesus and confirmed in the Holy Spirit, chosen as disciples to live out the gospel throughout the course of our lives. We bear the image of God. We are called to repay God with our whole selves.
- How often do we get frustrated shopping for a gift, throw up our hands, and say: What do you get someone who has everything? Well, what if that someone is God? What can we give God, who has everything and has already given us everything we have? We give God thanks and praise, of course, through prayer and worship. But because all people are God's children, we can also give to those in need from the gifts we have received. Just as we might give gifts to our close friends' young children, we can also give gifts to God's children.

Question of the Week

- This week ahead, how will I repay to God what belongs to God?

STEWARDSHIP QUOTES:

- The meaning of money is attached to its use. God never condemned money, as such, but rather insisted that it be used to further the Kingdom of God.
- Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven, but only the one who does the will of my Father in heaven" (Matthew 7:21).

Legacy Sunday — Beginning Your Legacy Journey

"Where your treasure is, there also will your heart be."
— Matthew 6:21

How is Legacy Sunday different from the other times the Church asks parishioners for donations?

Unlike an Annual Appeal or Capital Campaign or a regular parish collection, Legacy Sunday is not to "ask and give now." Legacy Sunday encourages parishioners to plan for their own legacy and consider future gifts through their estate plans.

Catholic Ministries Annual Appeal

If you're still considering making a donation, it's not too late.

To participate and make your gift:

- Complete a pledge form. (*Available at the church entrance or parish office*).
- It can be a one-time or a recurring gift
- Or you can scan the QR Code here >
- Or visit the web: Appeal.CatholicHawaii.org.

Be sure that your gift is designated to Our Lady of Perpetual Help Parish in Ewa Beach. *Your donation supports the vital ministries of our Church across our Islands. Thank you for your prayerful support and generosity!*

October: Month Praying the Rosary and Respect Life

"End of Life Decisions"

It is challenging to make moral decisions for a family member who is terminally ill or dying. It is important to understand the options available for a terminally ill person whether it is you or a family member. Here are a few questions to consider:

1. **Do you have an Advance Health Care Directive?** An Advance Health Care Directive is a legal document that lets you state your medical care preferences ahead of time in case you become unable to speak or make decisions for yourself. A Catholic Health Care Directive is encouraged rather than a Standard Health Care Directive. The Diocese of Honolulu has a Catholic Advance Directive form on their website; created by Father Mark Gantley, Judicial Vicar and Director of Canonical Affairs. Contact Ms. Eva Andrade, Executive Director/President, Hawaii Family Forum at eandrade@rcchawaii.org who works closely with Father Gantley and Kokua Mau organization for more information.
2. **What is POLST (Physician Orders for Life-Sustaining Treatment)?** Is it necessary or is it optional? What are the pros and cons about having a POLST? POLST is a medical signed order by a physician that authorizes medical treatments that a patient chooses to receive or not receive at the end of life.
3. **Do you have a copy of USCCB Ethical and Religious Directives for Catholic Health Care Services?** We are to respect the dignity of the human person. He/She has the right to proper health care that aligns with Catholic teachings. The church is to provide pastoral care and spiritual needs to the patient and family members. (*Sacraments: Confession, Holy Communion-Viaticum and Anointing of the Sick*).

Two Upcoming Events

1. **"What is Palliative Care?"** Saturday, October 17 St. Stephen Catholic Church in Nuuanu, 9-11:30 a.m. Chaplain Utufa'asili McDermott, MPT and Team of Professionals.
2. **"Preparing a Catholic Advanced Health Care Directive,"** Saturday, October 31, Sacred Heart Church, 1701 Wilder Avenue, 9-12 Noon Father Mark Gantley, Eva Andrade and Hope Young.

FOOD PANTRY REPORT

Every year, personnel from the Hawaii Food Bank (HFB) visit our Food Pantry to examine our records and view our physical site to be sure we are in compliance with HFB policy regulations.

This year they decided to visit us during our West Loch Senior Center distribution. On September 19th the Kupuna Program Coordinator of the HFB watched as we delivered 28 CSFP boxes of food (these boxes are big and heavy) as well as 74 OLPH bags of food. These bags are made with the food the parishioners provide along with the HFB. She commented on how hard our volunteers work and on the nice variety of foods that we place in our OLPH bags.

For the first time, we were also visited by the HFB's director of Agency Relations, the Community & Agency Partnership Manager and the Federal TEFAP Program Coordinator on September 25th. They mentioned they heard of how organized our pantry is. They asked many questions, and we have been cleared to serve as an HFB Agency for another year.

Each year we do very well in our monitoring because of all of our volunteers. They don't just volunteer, but they give 100% to the work they do. I truly believe that God brings just the right people into our lives at the time they are needed. He saw in all of us who volunteer, the necessary talents and gifts needed to minister from our pantry as efficiently and compassionately as we all do. Each month we feed (from both sites) about 575 people. Thank you for all that you bring to our OLPH family pantry. Together, with the Holy Spirit as our guide, we are making a difference (*by Laverne and Tom Suster, OLPH Food Pantry Coordinators*).

The Diocese continues the rollout of the new financial system to the parishes along with gradual report updates. Progress continues across several fronts; Slab on Grade (SOG) Pours, interior wall framing, RTU AC units & 2 smaller package units installed, and Data Com room completed with power.

Glu Lam Beam sanding & staining is complete as well as roof sheathing, roofing and fireproofing. Fire sprinklers, HVAC ducting is complete with the exception for exterior ducting from AC units. This will be followed by the rough-in of lighting, audio visual speakers, and cameras.

The raised Sanctuary concrete pour is being scheduled with forms in place. This pour will be more complex with stairs and recessed sections to accommodate tile.

DensGlass/Flashings around the metal stud light gauge framing for the clerestory windows has commenced along with the installation of unisex restroom drywall. The restroom ceilings will be insulated & closed. Pews, celebrant chairs, priedieu, podium, and ambry are scheduled to arrive and installed in the October/November time frame. Interior work has commenced with the placement of light fixtures, speakers, and cameras followed by insulation and drywall installation in the ceiling.

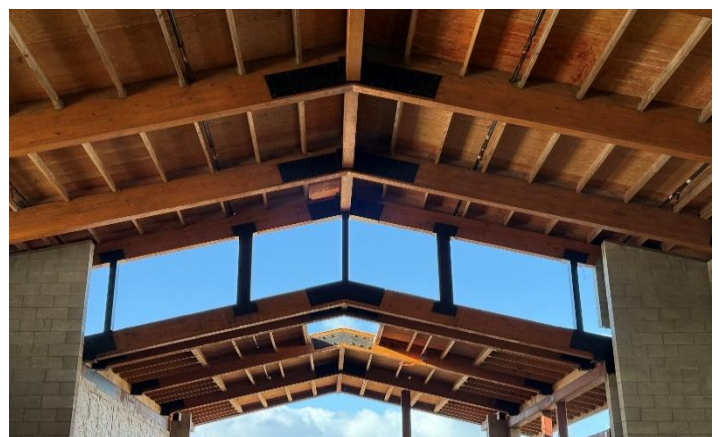

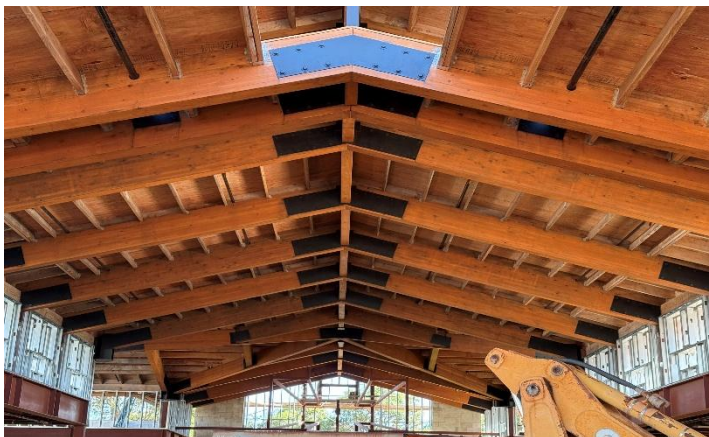

Exterior & site work will run from August thru November.
