DID YOU KNOW ?

Sister Lucia Ceccotti,
May 5, 1920 – September 17, 2013

The history of the school begins with a group of very special Sisters, who in 1963 left their homeland, their families, their motherhouse, on an adventure, which has born fruit beyond imagination.

In 1964, Sister Lucia interviewed families. Classrooms were prepared in the convent. The first students were accepted. The first classes at the Marian Center began in September 1964 and were held in the Convent, then the only building on the beautiful 50-acre property that had previously consisted of mountains of wild grass and trash.

In March 1965 a new school building was dedicated on the grounds, in the summer of 1966 the swimming pool and adjacent locker-rooms were inaugurated, in 1968 the Multi-Purpose Building was dedicated, in 1971 the Cottage, and in 1979 the Workshop (now the Adult Day Training).

TODAY
