BUILDING COMMUNITY AND STRENGTHENING NONPROFITS

Local nonprofits need us to “give where we live!”

In the Brazos Valley, we have over 1800 nonprofits that provide a way for us to work together for the common good, giving shape to our high ideals and noble causes. Every person in our community benefits from the work of nonprofits in ways that some may not even realize. From Royal Roots of Freedom to the Boys and Girls Club of the Brazos Valley, The Arts Council, and Centerville ISD, to name a few, nonprofits permeate our daily living and our broader culture—providing important quality of life needs that otherwise would be lost. Nonprofits and philanthropy provide a way to bring communities together—creating equity for all.

One in eight jobs in the Brazos Valley is tied directly to the nonprofit sector. We need nonprofits to thrive because they are economic engines that enhance our local economy. Now, more than ever, we believe that nonprofits are where the Brazos Valley comes together to solve problems, promote civic engagement and connect our leaders and innovators that make our towns true communities. However, following a pandemic and in an inflation time, nonprofits face serious challenges that limit their ability to serve the people and communities that rely on them. This is the time for us

to be creative and resourceful, connecting with our nonprofits to support their mission—with our monetary support and our time. **Local nonprofits need us now.**

Brazos Valley Gives is a giving initiative that culminates in 18

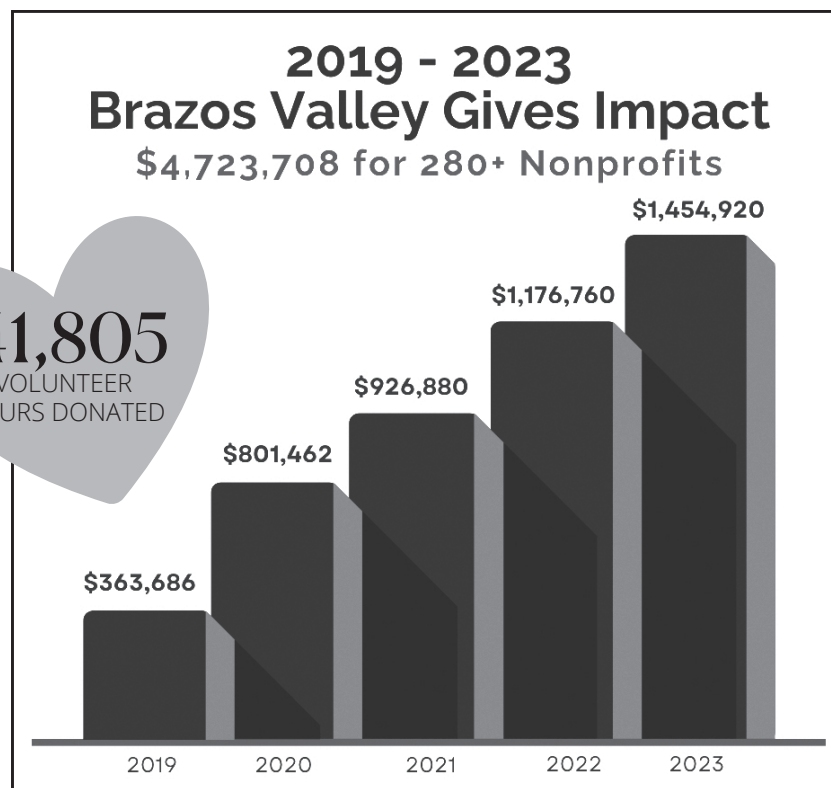

provides citizens and businesses an easy platform to support the mission and good works of local nonprofit organizations that serve the Brazos Valley – strengthening nonprofits, empowering donors, and building community.

This year—the sixth annual Brazos Valley Gives will be held on **Tuesday, October 15, 2024**. With 198 nonprofits having registered to participate, brazosvalleygives.org hosts their informational profiles. All seven of our counties have participating nonprofits! **This day of “giving where you live” is championed by the Community Foundation of the Brazos Valley**, and all donations will pass-thru directly to the donor’s charity(ies) of choice. We have set a goal of \$1,500,000. Our presenting sponsor is Amarillo National Bank. Ray of Hope, David Gardner’s Jewelers and Tom Light Legacy are our champion sponsors. The nonprofits are rallying their constituents to partner with us to give.

Please join us as we “give where we live” on Tuesday, October 15! Visit brazosvalleygives.org or drop off your donation at one of

four drive-thru donation sites [The Eagle – 1729 Briarcrest Drive, Bryan; Washington County Chamber of Commerce – 314 South Austin Street, Brenham; Caldwell Civic

Center – 103 Hwy 21, Caldwell; and Navasota Center – 101 Stadium Drive, Navasota,]. **Join us in supporting the nonprofit community that makes the Brazos Valley a thriving and exceptional place to call home!**

This is Brazos Valley Gives’ 6th Anniversary and as we look back upon the last five years, we are reminded of why we love living, working, praying, playing and giving here! Last year, Brazos Valley Gives raised \$1,454,920 for 168 participating nonprofits.

CERT is a nationally supported, locally implemented initiative that teaches people to better prepare themselves for hazards that may affect their communities using basic disaster response skills such as team organization, disaster medical operations, fire safety, and light search and rescue.

To provide financial and emotional support for anyone in need that God leads us to provide for. There may be individuals who have suffered the loss of a loved one, some may have a disability, or some may just need to have their day brightened. There is no need too small, we would love to support as many as possible.
