HOW TO ORDER

1. EMAIL OR FAX US YOUR ORDER FORMS

We strive to bring your client's vision to life starting with the very first proof set. Complete order forms are the best way for us to clearly understand your order and send an accurate proof. The more detail the better! We welcome any available supporting references including sketches, inspirations, and word documents.

Our order form is available in two formats to choose from:

Download & Print PDF and Electronic Form PDF
Both versions can be found on our websites within Dealer Resources.

Submit your form via email or fax:
orders@stationeryworks.com
f 513.831.0103 or f 866.317.4157

2. WE EMAIL YOU AN ORDER CONFIRMATION

Look for an order confirmation email within 1 business day. If you do not receive a confirmation, please contact us to be sure we received your order successfully.

3. WE EMAIL YOU A FREE PROOF SET AND COVER SHEET

You will receive a complimentary Proof via email. Our proofs are sent in color, to size, and include all the necessary production details in the header. PLEASE check ALL information! Read your text to make sure everything is spelled correctly, check dates and addresses and times and venues, and then read all the text again! Check, check, and triple check!

Need to make some changes? Up to three complimentary proof sets are included with your order. Orders with lots of custom design work may receive fewer complimentary proofs. Additional proof sets are available for \$50 retail each.

4. EMAIL OR FAX US YOUR APPROVAL.

When your proofs are just perfect, please fax or email signed approved proof versions for each item along with your cover sheet. In order to make certain we know exactly which version(s) you are expecting we will only proceed to print once these signed forms have been received.

5. WE EMAIL YOU AN APPROVAL CONFIRMATION

We will confirm in 1 business day that we've received your approval and provide an anticipated ship date. Like sending in orders, if you don't receive our confirmation email then we didn't get your approval and the order remains on hold.

BUSINESS CARDS

BONUS! YOU CAN GROUP TOGETHER UP TO 4 PEOPLE!

The fine print...

- Artwork is the same, only contact information is different
- *Each Additional Name adds \$100*
- If the same quantity is not ordered for each person, then each quantity needed has to be divisible by 4 and equal 25/50/75 percent of the total ordered.

FOR EXAMPLE:

2 PEOPLE NEED 250 CARDS EACH (50/50 SPLIT)
ORDER 500 CARDS & ADD \$100 FOR ADDITIONAL NAME.

NAME 1 Qty 125 (250 total)	NAME 1 Qty 125 (250 total)
NAME 2 Qty 125 (250 total)	NAME 2 Qty 125 (250 total)

4 PEOPLE NEED 200 CARDS EACH (25/25/25/25 SPLIT)
ORDER 800 CARDS & ADD \$300 FOR 3 ADDITIONAL NAMES.

NAME 1 Qty 200	NAME 2 Qty 200
NAME 3 Qty 200	NAME 4 Qty 200

3 PEOPLE NEED CARDS, QUANTITIES 200, 100 & 100 (50/25/25 SPLIT)
ORDER 400 CARDS & ADD \$200 FOR 2 ADDITIONAL NAMES.

NAME 1 Qty 100 (200 total)	NAME 1 Qty 100 (200 total)
NAME 2 Qty 100	NAME 3 Qty 100

Example of what you can't combine:

3 people need cards, for total of 800 - quantities 400, 300 & 100 (50/37.5/12.5 split). These quantities could not be combined since it is not a 25/50/75 split. An option to combine them would be to change the quantities to 400/200/200 (50/25/25).

HAND TORN EDGES

Hand tearing is available for any 1 ply Classic or Grand Size card using a Matte Price Code 1 paper.
Adds \$3.00 per card

Pro tips:

Lallie

The Lallie name is synonymous with joyful designs, bright color combinations, fun layers and many ribbons. We are thrilled to be able to offer these designs to all of our Stationery Works customers!

What makes Lallie unique from Designers' Fine Press and Checkerboard?

Lallie designs like to be bold and fantastic - showcasing bright colors and large areas of Thermography printing. Its distinct style often requires custom ink mixes and special press handling - so certain press fees may apply.

Given the unique nature of Lallie designs, feel free to contact us for a quote.

CUSTOM INK MIX (+\$120)

In our world, when you print blue ink on white paper you get blue ink. Printing on white stock is the most straight forward!

Lallie's color rich designs often pair vibrant inks and bright papers. Take the blue ink and print it on yellow paper. Left alone, the end result is a greenish ink color. A new ink needs to be custom mixed in order to achieve blue ink on yellow paper.

LARGE AREAS OF THERMOGRAPHY (+\$120)

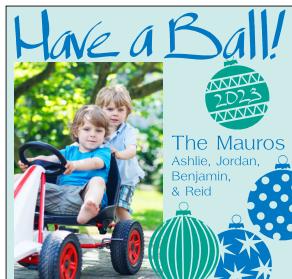

Lallie likes to speak its message large and in charge. It is known for bold graphics, chunky fonts, and large printed areas. Thermography works well for typical larger areas, but "Lallie level" requires special press handling to look extra fabulous.

HOW TO ORDER...

CUSTOMIZE!

1. ORDER FORMS

Order forms are the best way for us to clearly understand your order and successfully send you an accurate Proof. Feel free to send us wording via email to accompany your order form. Order forms can be found on our websites. Please note that an order received without a form could delay your proof and take additional design time.

2. PROOFS

You will receive a color proof via email. Up to three complimentary proof sets are included with each order. If additional proofs are needed, they are \$50 per Proof Set. Orders submitted without a form or with custom design work may receive fewer complimentary proofs.

Color Proofs are representative of card layout and typesetting, but not of actual printed ink or foil color. Proofs viewed on computer monitors and/or printed from digital/laser/inkjet printers are not accurate in their representation of how the printed ink or foil will appear. Please refer to our ink and foil swatches and album suites for a more representative color.

It is your responsibility to carefully check all details of each proof before providing an approval. Stationery Works is not responsible for any errors or revisions after approval and/or printing, including errors introduced by Stationery Works during order set up and proofing. Any and all costs associated with revisions requested by the customer after providing approval will be the responsibility of the customer.

3. APPROVALS

To approve your order, please sign each proof and fax or scan and email them back to us. We will ALWAYS send you an email confirmation within 1 business day of your approval. If you do not hear from us, please contact us!

IN A HURRY?

4. RUSH REQUESTS

Rush requests can typically be accommodated. Please see our Rush web page (designersfinepress.com/page/DealerResources) for current timing and pricing information. Rush Fees start at \$150 and increase depending on season, print methods, pieces in order, etc. Please note that we will need to review the order to ensure stock and production capabilities before we can confirm the Rush processing.

If you need a Proof Rushed, the fee is \$50 per Proof Set and will be sent within 4 business hours of our order confirmation.

5. EARLY ENVELOPES

Printed envelopes can be ordered separately which may help enable them to ship ahead of the rest of the printed order. See page 18 for details and pricing. Blank, unlined Envelopes may ship ahead for a \$40 fee + shipping.

6. FLAT FEES - ADDITIONAL INKS

You'll note many flat fees throughout the Album. The Flat Fees cover up to quantity of 500. An additional Fee will be added for every 500 quantity. For large quantities, feel free to contact us to ensure accurate pricing.

8. LOW GLOSS THERMOGRAPHY

Add \$100 to your order if you would like a matte finish to any Thermography ink (not available for Gold or Silver).

9. SUPPLIED ARTWORK

There are no fees if artwork is received "Print-Ready" (see the Creative Library for file requirements). Design Fees, starting at \$50 per file, apply if the file(s) need adjustments to make Print Ready. Feel free to send in your artwork prior to order submission for us to review and advise.

10. HEBREW & FOREIGN LANGUAGE

Use our Hebrew Conversion Chart found on our website to incorporate Hebrew into your order. Typesetting of Hebrew is \$20 for the first line and \$10 for each additional line. To typeset a Foreign Language (using the Roman Alphabet) add \$25 per card.

Additional visual aids like images or pdfs or typed word docs are welcomed to help assure typesetting accuracy.

Supplying print ready (see Creative Library for file requirements) files do not incur the typesetting fee.

11. SUPPLIED PAPER AND ENVELOPES

We are happy to consider requests to print on custom supplied paper and envelopes. Please contact us prior to ordering stock to confirm the feasibility and quantity of the items you are interested in supplying to us. It is the responsibility of the Dealer to ensure that the dimensions of the supplied stock are compatible with our products. Please know that we do not extend a credit for supplied stock, but we also do not charge extra for its handling.

12. SPECIAL PRESS HANDLING

When customizing, especially with Letterpress Printing, we may suggest Special Press Handling, which can include additional fees. Please see the Creative Library Binder for more details.

13. TISSUE

Add Tissue to your Invitation order for \$20. Tissue is cut to Card Size and is available in White only.

14. EASY STICK ENVELOPE TAPE

Add easy release tape to your *Square Flap* Envelope for an additional \$.30 per envelope (\$20 minimum).

15. SEALING & MAILING YOUR ENVELOPES

A good seal is the final step to ensure that invitations arrive safely. Too much or too little moisture on the gum line can affect how well the glue adheres. We recommend using double sided tape for the best sealing success.
