

28TH Spaghetti Dinner & Auction

ANNUAL

SUNDAY, NOVEMBER 8, 2026

DINNER 4:00 PM | AUCTION 5:00 PM

Supporting Our High School Youth

Every gift at this auction becomes an opportunity – so that a family's financial circumstances never decide whether a young person gets to experience life-changing events.

THE NIGHT

Our high school students prepare and serve dinner for about 250 guests. A silent auction runs all evening; a live auction follows. *The students run all of it.*

WHAT IT FUNDS

Scholarships to camps, conferences, and retreats — where students build leadership, teamwork and confidence — *and the year-round programming that holds it together.*

WHO IT REACHES

You support funds our scholarships for our youth. Additionally, you will be recognized before all in attendance, the students and their families, and to our parish of almost 1,500 families.

RECOGNITION TIERS

Pasta Patron

ABOVE \$300

- Name and logo in the printed program and slideshow
- Name and logo on signs at the event
- Verbal recognition at the event
- Two tickets to the dinner

MONDAY, JULY 13, 2026

Community Relations, Charitable Giving, or To Whom It May Concern:

Every November our social hall fills up. *Long tables, tablecloth, and students in aprons carrying plates out to about two hundred and fifty of their neighbors, most of whom live and shop within a few miles of your front door. Our students prepare the meal, serve it, clear it, and when the auction starts they help sell the items.*

This will be our twenty-eighth year. On Sunday, November 8, 2026 we hold the 28th Annual Spaghetti Dinner & Auction, and I am writing to ask whether your business would be part of it.

Our purpose for the event is scholarships. Camps, conferences and retreats are where our students learn to lead, to work as a team and to look after one another, and they come home steadier and more confident than they left. Those things also cost more every year, and for a growing number of our families that cost has become the thing standing between a student and the bus. *A family's circumstances should never decide whether a student gets to go, and what we raise at this dinner is how we make sure it does not.*

Additionally supporting our program is part of our goal. We welcome every student in our area regardless of church membership, background, or ability to pay. We serve students in English and in Spanish, and we try to meet the whole student where they are: faith, friendships, leadership skills, and whatever else they happen to be carrying.

Every item in our auction is donated. We purchase only the food, so our overhead is low allowing the proceeds go where we say they will. *Would you consider giving? A gift card. An hour of your service. Something off your shelf. A service or experience. If an item is difficult, a monetary donation reaches the same recognition level, as does a combination of the two.*

The enclosed page lists our four recognition opportunities. Your business is named in the printed program every guest holds and in the slideshow that runs all evening; at the upper levels that becomes your logo rather than your name, along with signage in the hall, recognition from the stage, and tickets to the dinner. Afterward our donor list goes on the parish website and social media, where we reach nearly 1,500 families in our parish.

We would be glad to count you among our sponsors this year. *The process is simple, return the enclosed slip with your gift, or call or email and we will come pick it up — anywhere local, any day that suits you.*

Thank you for considering our students and their families!

In Gratitude,

Luis Ramos
