A registration form is available on [www.poyntonnetball.co.uk](http://www.poyntonnetball.co.uk) this will guarantee your child's place alongside the first month's payment to be transferred before the next practice, please contact Liz to arrange your first session and have a look at our code of conduct. You will then be invited to our 'spond app' group which will be used to keep you up to date with all club information, please also accept or decline your attendance to practices on the app, this is important for us to know who is attending as practices are based around the number of players in attendance each week. You will also be added to the correct whatsapp group for your child's age/team. We use both the app and Whatsapp at any time.

**Your child will need to be affiliated to England Netball, information about this will be on the app.**

There will be an opportunity to purchase some kit throughout the year via our online shop, details of this will be sent out when the shop window opens for orders. Training t-shirts are expected to be worn to practice.

When the time allows, we will give your child the opportunity to join the Sunday league (this is charged at £10 extra per month) and hopefully guide your child through the sessions to eventually join our adult club at the age of 15 years.

**Unfortunately, we cannot accept players who are already affiliated with another netball club.**

Please follow our sign in/out guidelines by bringing your child to the main entrance to drop off and sign in, players are then to enter onto the court and start the warm up. Please collect your child from the court entrance and sign out. This is in line with England Netball Safeguarding regulations. The only exception to this is if you have given your child permission to arrive/leave on their own (advisable only from groups 2&3) and selected this option on the registration form.

An annual presentation will be organised and information about this will be shared each year. We would love it if you could attend, it is an opportunity for you to show your support.

If you would like your child to join the club please contact coach Liz on **07855754083**. If you have any questions, concerns or comments please contact Amy on 07738494418 or [flamy83@talk21.com](mailto:flamy83@talk21.com)
