

The Office of Faith Formation and the Canton Catholic Women's Club are partnering to provide a weekly Lenten Giving program. The Season of Lent invites us to be more intentional about where we spend our money and our time. As we participate in the liturgies of Lent let us focus on the Gospel message, which will enhance our spiritual growth in the service of others both as individuals and as members of this faith community.

Below is a list of the organizations that will benefit from the Lenten Giving weekly outreach beginning the weekend of February 18th. For more detailed information visit our parish website at www.cantoncatholic.org
