PROFILE

Innovative and dedicated management professional with a hybrid Business Analysis and Programme Management skillset. Currently working on a takeover bid for the UK National Lottery. Aim is to develop the next stage of their career by taking on greater accountability in a global organisation. Demonstrable track record in leading consulting firms including leading, coaching and developing teams for successful delivery. Proven stakeholder management experience, regularly dealing with C-Suite and Board Directors. Acts with an owner mentality. Held share options in Parker Fitzgerald (acquired in 2019) and Mentor of the Year at City University 2019.
