If you or someone close to you has ever experienced the need for the prompt aid of a first responder during an emergency to save life or property, then you know the importance of the brave and dedicated members of the Reedsville Volunteer Fire Department. Our firefighters are neighbors, homeowners, and residents just like you. We have invested many hours in education, training, and preparation to come to your aid when fire or other emergencies arise.

Your firefighters are conducting a **Special Fund Drive** to raise \$15,000.00 to replace needed equipment and personnel gear in order to keep your firefighters safe by remaining compliant with NFPA and WV state fire commission standards and improve our service to the community in order to **keep your firefighters safe and improve our service to the community**. Your generous donation of \$35.00 or more will help us reach our goal. Please send what you can.

Make your check payable to: Reedsville Volunteer Fire Department and mail to the department in the enclosed envelope.

As a special thank you to the faithful supporters of the Reedsville Volunteer Fire Department, each family donating will receive the lasting gift of an FREE 8x10 family portrait.
