## What is a School-Parent Compact

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

### Jointly Developed

Parents, students, teachers, and faculty members work together to develop our school-parent compact. Parents are involved in the revision process through the MCMS School Council, Annual Spring Title I Parent Survey, Parent-Teacher conferences, Parent Revision meeting, School Improvement Planning process, and the school website. This compact is uniquely developed to meet the needs and goals of our school and students. Parents are welcome to contribute comments at any time during the year.

If you would like to volunteer, participate and/or observe in the classroom, please contact Mr. Scott Brooker at (912) 437-6685.
