

Some Testimonials 2023.....

Mike:

We wanted a truly authentic Calypso Caribbean Fete for my Trini mum's 90th birthday and the Caribbean food shack, totally delivered!!! Mike's expert advice helped us create a tasty menu of Trinidadian food, it was totally personal to my mum for her birthday, with doubles and phlourie as appetizers and a choice of curries, plantain, rice and peas, salads for the main meal. We had over 100 guests of all ages and everybody absolutley loved the delicious food - going back and forth multiple times - as there was so much available! Cooked fresh, that day... by Alyson and brought directly to the event, it was a super stress free and simple operation... Served from the food shack, on china plates, it was a deliciously tasty and filling meal to set everyone up for an evening of dancing. Alyson and her team were super charming chatting to all our guests who loved the experience and opportunity to taste real Trini food, they haven't stopped talking about it! We will be working with Mike and Alyson again, as they can cater for smaller occasions too!

Michael I'm so sorry I didn't get in touch after the event at Aldenham! The food and service was absolutely fantastic - everyone was raving about the food and Legend and Alison were amazing on the night with the setting up and clearing away afterwards. Really appreciate everything you all did to make the night a huge success, we will definitely be recommending you to our friends and family. Hope you're all well, all the best,

Chris – Aldenham cricket club

AMAZING FOOD AND SERVICE I approached Mike to cater for our wedding at short notice after being messed around by our previous caterer.

From the initial contact to the actual day itself Mike and his team were outstanding. Communication was incredible, Mike even took the pressure off me by speaking with our venue directly.

On the day the team were friendly and extremely professional and most importantly the food was amazing. There was plenty for seconds or thirds and we received plenty of compliments about how nice the food was.

I would not hesitate to use Mike and his team should we require their services again....thank you for helping make our day the best!

Amanda - Dorset

Dear Mike

A tremendous thank you again for such a fantastic buffet you provided for the wake reception for our late mother's funeral. Your company were recommended to us, and I can see why.

Your staff were highly organized and effectively delivered on the day with just a week's notice. Your attention to every detail really took the stress off at such a difficult time of losing our mother. Like ringing the venue directly to confirm arrangements.

The food was amazing with plenty of choices and the customer service we received was very professional. We received so many compliments from our guests on the day and afterwards. All saying how great your food tasted. The venue manager was pleased that you left the kitchen in a better state than you found it!!

The day was sad for us but having you there made the day the best send off for our beloved mother. Thanks again for the awesome service and the fantastic food!!

P.s your patties were delightful.....A Daly

I'd like to take this opportunity to thank you Michael and your team for the incredible catering at the Celebration of Life event for my son. This was such a difficult time for me, and my family and you were professional from the first phone call of enquiry right through to the end with the clearing up. I had my doubts, and as you know, I was emotional, anxious and worried, but you and your team did a fantastic job, answering all my queries no matter how small, the service we received was first class, absolutely impeccable.

We were so pleased with the variety and range of food, which was beautifully presented. The rice and peas were the best I've eaten in years when dining out, and our guests thought so too, by the amount they consumed. I was also impressed by the way you organized that those who had travelled from far were catered for immediately after the family.

My son loved food and dancing and the complimentary PA and music was the icing on the cake. There was no need for my fretting over his playlist as you and your team intuitively played his sound brilliantly and clearly the rest of the family thought so too by the amount of dancing that was done up until the end!

The whole evening was on point, the set up was professional, the food incredible, easily 5 stars and my family and guests are still raving about the wonderful evening you gave our son. You provided us with a complete top-notch package and delivered quality as well as quantity!

We feel so fortunate that we chose you, Events Team UK/Caribbean Food Shack and we will most certainly use you again, hopefully for a more joyous occasion and we will highly recommend you for any gathering that requires caterers, you were simply the best.

Thank you

CARIBBEAN PARTY! Michael and his team were fab. They accommodated us with our catering, entertainment and dj requirements for our wedding Caribbean party. We had so many compliments on the food from our guests and the steel pans and singer were an amazing touch to bring our wedding party alive. Mike was very accommodating, great communication and very reasonably priced. Smiles all round and would use these services again - Kayleigh

The service I received for my son's wedding was excellent. The food was delicious, and the events organiser went above and beyond to ensure our requests were fulfilled. The Saxophonist was amazing. The team were friendly and approachable, I would highly recommend the Events Team U.K. Caribbean Catering - Annice.

BUSINESS UPDATE LUNCH I would highly recommend Events Team UK Caribbean Catering. They went above and beyond to help us with organising our Business Update Lunch in such a short space of time, when they require a few months' notice.

Mike was especially helpful with providing us with the right menu choices for all our employees and where the best location on site would be to set up for the day.

They created a wonderful atmosphere and were so friendly and the food was absolutely amazing.

I can not fault them with anything and would definitely use them again – Sally from Veolia Water Technologies High Wycombe

BRILLIANT CATERING AND SERVICE. 5 STARS I used Mike and his catering team for a very last

minute booking and he didn't disappoint. The service and the food were both on point and the level of customer care was second to none. If you want incredible Caribbean Food, served with charm, authenticity and character then this is the company for you!

AMAZING The food was amazing and more than expected, Mike and his helper were really professionals and kind.

All the guests were really happy about their service. I would definitely recommend them to all my friends.

Thank you Mike!

AMAZING!!! FANTASTIC FOOD AND ENTERTAINMENT!!! As I reflect back on the last year that I have had, it is important for me to know the memorable events that took place. One of the best days I had was celebrating my 40th birthday party in August with my family. From the outset Mike welcomed us to a food tasting, allowed us to sample various dishes to perfect our menu and arranged all the entertainment (Calypso Steel Band) for the day at a very very short notice. The day before he dropped all the kitchen catering/equipment and again in the morning to ensure the team was set for the day. They hosted a wonderful BBQ with complete compliments all round from our guests. The entertainment really lit up the party atmosphere by playing music for approx 3.5 hrs and for some of the guests to play on the pans, which really provided some good fun on the day. The whole team worked incredibly hard and we really want to thank Mike for arranging this event at very late notice and providing myself and my family with an event to remember over 2021.

Sept 2021 - FANTASTIC CATERING SERVICE. HIGHLY RECOMMEND! We used events team uk for our wedding last week and the food, service and delivery was brilliant. Mike and the team did a fantastic job. All of our guests gave rave reviews with the food! We'll certainly be using them again for future events and we highly recommend to anyone who wants a taste for caribbean cuisine!

Keep up the great work!
Shaun and Nina

Dear Mike,

Thank you soooooo much for all the hard work you and your team did for us on Saturday. I understand Regent's Lake caused you quite a lot of issues, which I'm very sorry for, and we're very disappointed with them about, but, you guys still managed to do an amazing job, and everyone was saying how amazing the food was. ...So, thank you so much! If there's anywhere that you'd like us to leave feedback, please let us know!

Thanks again,

Review of the catering at our Wedding Reception at Shirley Parish Hall
on 11.11.2017

We contacted Event Team Caribbean Catering because our caterer was unable to do our catering due to several family bereavements.

We were recommended to this company through our neighbour who had enjoyed their food at three weddings and a funeral. My partner was keen to have a Caribbean menu with a range of food for all guests including a vegetarian option so we agreed to try them. We went along for a food tasting a month before our wedding and the food presented that day was especially good. The curry goat, fish and chicken were the favourites.

On the day Mike and his team arrived early and became installed in the kitchen to set about food making.

Mike previously mentioned that we would have a lot of food on the day and he was right. The food was plenty, deliciously tasty and all our guests were so complementary about it particularly at how

'yummy' it was. We wanted our guests to eat well and enjoy the food because at weddings it's an important part of the day. We all know that bad food is never forgotten. Mike and his team did a lot for us on the day to make the reception special. For this we are very grateful.

We would thoroughly recommend Mike and his team for any event they do and we hope to hire them again for our anniversary party next year and in the future.

Thank you so much Mike and your Crew

We are always looking for something a little bit different and this year we decided to use Events Team UK to book some Caribbean Food.

The guests loved the music and smells and all agreed that the food tasted amazing.

Several went back for 2nds and 3rds!!

Great service and friendly faces cooking and serving the food and overall a brilliant part of what was a great day. We would definitely use them again
