4 Parent / Guardian Acknowledgment

I certify that I am authorized to register the swimmer(s) listed above and give permission for voluntary participation in a Kingfish Swimming Rhode Island tryout. I understand that swimming and dryland activity involve inherent risks, including injury. I have disclosed information reasonably necessary for safe participation and authorize Kingfish personnel to provide reasonable first aid and, when I cannot be reached, to seek emergency medical assistance. I understand that swimmers must follow facility and coach safety instructions. Initial group placement is a coaching recommendation based on observed safety, technique, endurance, developmental readiness, and available space; it may be adjusted after further observation. This tryout form does not guarantee membership or replace any Kingfish, facility, or USA Swimming registration, policy acknowledgment, or waiver required upon enrollment.
