

# Dry Ice by Eco newsletter

April, 2026 | Volume 06

Dry Ice by Eco is a multi award-winning Dry Ice blasting business, fully qualified and SQA accredited company offering the highest level of Dry Ice cleaning service with over 15 years of experience.

## Our exciting new model

Dry Ice by Eco has been busy working behind the scenes on their new, exciting subscription model.

This innovative product, which aims to revolutionise your cleaning process with enhanced efficiency and effectiveness, gives you the power of dry ice in your own hands.

Be the first to hear about our exciting new venture and learn how it can help you elevate your services! Call us today on 01461 500206 or get in touch at [dryice@teameco.co.uk](mailto:dryice@teameco.co.uk) to find out more.

## We're recruiting

Dry Ice by Eco is excited to announce we're recruiting for a Trainee Dry Ice Blaster!

Join our dynamic team and learn the art of dry ice blasting, providing top-notch services across the UK.

If you're eager to grow your skills in an innovative environment, click here to apply!

# We're hiring

We're looking for a Trainee Dry Ice Blaster to join our team.

## Our event winner

Lawrence Peppi from Broadway Leasing collecting his luxury hamper prize after being announced as the winner of our Manchester Cleaning Show 2026 draw.

We had a great meeting with Lawrence, where we discussed opportunities and connected further following an engaging and successful show.
