

Dry Ice by Eco newsletter

February, 2026 | Volume 04

Dry Ice by Eco is a multi award-winning Dry Ice blasting business, fully qualified and SQA accredited company offering the highest level of Dry Ice cleaning service with over 15 years of experience.

Meet the Team!

Steven McCreadie has worked at Eco Dry Ice since he joined as a trainee technician in 2022 and has climbed the ranks to become Head of Dry Ice.

With years of experience and knowledge, Steven is your go-to person for emergencies, equipment cleaning, or expert advice.

Specialising in all things dry ice, his knowledge ensures you get the best solutions every time!

Come and see us at the Manchester Cleaning Show

Come and visit us at Stand F30!

We can't wait to greet you at this event.

Our experienced team will be on hand to answer all your questions about dry ice.

Discover innovative solutions that can save you time and money while ensuring your business thrives! Let's connect and explore the possibilities together.

Our new Dry Ice blaster

Just like Christmas all over again at Dry Ice by Eco!

This week we took delivery of the amazing Cold Jet Aero40, enhancing our capabilities to serve you better.

We take great pride in our work and on having the best machinery at our disposal.

Your satisfaction is our top priority!
