Financial update

In August, **envelope giving was \$24,899**, which is **\$3,500 below budget** and **\$3,200 less than last year**. Total income for the month was \$30,127, falling short of both budget and last year. Expenses totaled **\$45,715**, leaving a **monthly deficit of about \$15,600**, compared to a \$9,400 deficit last August.

Year-to-date, envelope giving is **\$230,781**, which is **\$28,000 below budget** and **\$25,600 less than last year**. Total income is **\$337,158**, while expenses are **\$388,575**, leaving us with a **deficit of \$51,417**. This compares to a \$24,066 deficit at this point last year, and it is more than **\$41,000 worse than budget expectations**.

We are grateful for **special events and investment income** that have boosted results, but the clear challenge remains in **regular weekly and monthly giving**, which provides the foundation for sustaining ministry.

Faith Walking Birthday Bash Friday

Faith Walkers will celebrate September and October Birthdays on Friday, October 3 at 12:00 p.m. Come out and enjoy some awesome fellowship and yummy treats with us!

Mark Your Calendar! 20th Anniversary Faith Walking Celebration

We will celebrate 20 years of the Faith Walking ministry in a couple different ways! The first way will be a worship service on **Sunday, November 2nd at 9:30 a.m.** with special emphasis on the Faith Walking ministry. Worship will be followed by a coffee hour honoring our Faith Walkers and recognizing Dana's retirement. All are welcome to attend! On **Monday, November 3rd**, we will celebrate with a Potluck Luncheon beginning at 11:00 a.m., a group photo at 11:45, Award Presentations at 12:00 and Bingo from 12:15-1:00. Bring your friends!

In addition to celebrating the accomplishments of the Faith Walkers during the last year, we would also like to recognize our dedicated greeters, some who have been volunteering since the beginning! The success and longevity of the Faith Walking program is due in large part to the friendly greeters who welcome the walkers, provide moral support, and track the mileage walked by each participant. Thank you all for your service!

A HUGE Rummage Sale Thank You from HHH!

Thank you to the congregation for toting your rummage to church for the fall rummage sale in September. An especially big thanks to all the wonderful volunteers who transform a gym into a re-sell-it store in record time! For those who helped check-out and bag, watch doors, set-up tables, haul things away, and clean up afterwards, thank you profusely! Because you gave of your time to make this happen, we made a whopping \$3,721!

homework help & hoops

HHH Tutors/Mentors are Needed!

HHH has provided an outlet to help students complete their homework and sharpen their academic skills since January 2007. To continue this program this fall, we need St. John volunteers willing to give 1 to 6 hours a week to help these kids.

The fall HHH program starts back up on Tuesday, September 23. We badly need adults to mentor/tutor from 3:00 until 6:00 p.m. on Tuesdays and/or Thursdays. If you only have an hour a week to spare, we will make that work!

If you can help with this vital ministry to our neighborhood children, please call Dana at 618-344-2526.

Our book club has chosen the next book we will be reviewing **Sea of Tranquility** by Emily St. John Mandel.

Edwin St. Andrew is eighteen years old when he crosses the Atlantic by steamship, exiled from polite society following an ill-conceived diatribe at a dinner party. He enters the forest, spellbound by the beauty of the Canadian wilderness, and suddenly hears the notes of a violin echoing in an airship terminal—an experience that shocks him to his core. Two centuries later a famous writer named Olive Llewellyn is on a book tour. She's traveling all over Earth, but her home is the second moon colony, a place of white stone, spired towers, and artificial beauty. Within the text of Olive's best-selling pandemic novel lies a strange passage: a man plays his violin for change in the echoing corridor of an airship terminal as the trees of a forest rise around him. When Gaspary-Jacques Roberts, a detective in the black-skied Night City, is hired to investigate an anomaly in the North American wilderness, he uncovers a series of lives upended: The exiled son of an earl driven to madness, a writer trapped far from home as a pandemic ravages Earth, and a childhood friend from the Night City who, like Gaspary himself, has glimpsed the chance to do something extraordinary that will disrupt the timeline of the universe. A virtuoso performance that is as human and tender as it is intellectually playful, *Sea of Tranquility* is a novel of time travel and metaphysics that precisely captures the reality of our current moment.

Everyone is welcome. Plan on reading the book prior to attending the book review. Bring your thoughts and come share in the discussion. We plan on meeting on Tuesday afternoon **October 21st at 1:00 p.m.** We are meeting in the Parlor (note the change in location). We hope you will join us.

St. John UCC: Three Pillars that Define Us as a Church in the...

Heart of the Community

So... What's this Church ABOUT?

- **Creative Worship & Music**

We value excellent preaching, a variety of music styles and instruments, and creativity in our worship! Please share your interests and gifts– all are welcome to be a part of praising God!

- **Multi-Generational Care**

We always strive to widen our welcome and care so all people in the community feel engaged, valued and connected, whether you are a newcomer or long-timer– we love that you are a part of us!

- **Youth & Community Outreach**

We recognize children and youth are the future of the church and they are the heart of our community. Our programs help kids and their families, and people of all ages in need. Our outreach allows us to share Christ with actions and love as well as words!

Do you have one day a week to check on our Blessing Box? Brenda Baum has been checking in twice a week, however the need for food is so great that we realize it should be checked more often. Most days, as soon as items are put on the shelves, someone in need is right there to pick them up. St. John UCC does have a small overstock of food that can be put out if someone has the time to stop in to take it out.

Please see Brenda or Amy if you are interested in helping with this very necessary ministry.

October 2025

Extra Step Offering Sunday, October 5, 2025

This special offering goes to the UCC's **Neighbors in Need and locally, Hoyleton Youth and Family Services.**

Hoyleton is a faith-based, trauma-informed social services agency that has grown to become one of Southern Illinois' leaders in providing emotional and mental health services for every stage of youth and family development. They strive each day to build stronger communities by restoring families, preparing young adults to make positive life decisions, helping parents & guardians be better parents, and providing wellness education to

Hoyleton Youth & Family Services

members of our community.

Gifts to the **Neighbors in Need** offering support ministries of justice and compassion in the United Church of Christ, including the UCC Office of Public Policy & Advocacy in Washington D.C.

The UCC Washington D.C. Office was called into being by a resolution at General Synod 10 in 1975. The office was assigned to identify, analyze, and forecast social issues which called for the attention of the church. The work has always been guided by the discernment of the UCC through General Synod gatherings and resolutions that collectively witness to God's call.

Each week the Washington D.C. Office creates an action alert to help give church members the opportunity to contact legislators simply and easily. In 2025 these weekly alerts have encouraged church members to fight for disability housing accommodations, to stop the gun violence epidemic, and to support environmental justice for all.

Rarely have I seen a church without some form of ministry that helps feed people. From community meals to food pantries, churches across the country make sure people have enough to eat. But I always wondered, wouldn't it be better if none of these services had to exist. What if everyone simply had enough to eat?

Our churches share compassion by not only providing for the basic needs of our neighbors but also asking deeper questions of why these inequalities exist in the first place. Our immediate call to alleviate the suffering of those around us is paired with a prophetic witness calling for systemic reform.

All congregations in the United Church of Christ are invited to take part in the Neighbors in Need offering to address just this. Two thirds of the offering support justice and witness ministries of the United Church of Christ with one third of the offering given to the Council for American Indian Ministries (CAIM). Your gifts directly fund the Neighbors in Need grant program. This grant, for UCC congregations and partners, offers funding for both direct service and advocacy projects.

Thank you for your generosity!
Rev. Rachel McDonald

We have been very busy welcoming our Learning Tree friends and their families back to school in September! The children and their teacher are learning about each other, flooring class routines and making new friends. Each class has enjoyed several apple themed activities that helped them learn all about apples this month. We also have been talking about our families and working on self-portraits for each child's portfolio.

Turning Point Dance Academy is back offering dance and movement classes to our students after our regular school day. We are happy to have them back with this fun extracurricular activity.

October will be very busy! The Collinsville Fire Department will be here to talk about the importance of fire safety and let the children explore the fire trucks and squirt the fire hose. This is always a favorite with the children. We will enjoy an all-school trip to Relleke Pumpkin patch this month, begin Children's Moments with Pastor Jenn and have a Halloween parade to show off our costumes. The parades will take place in Faith Hall on October 29 and 30 at 8:45 a.m. We welcome church members to join us!

We are looking for volunteers from our church family to help with door duty. If you are interested in helping greet our families at arrival and pick up time, please let us know. Door duty slots are 8:20 - 8:45 and 10:50 - 11:15 a.m.

The classrooms are also seeking toy cash registers for our dramatic play units. If you have one your children or grandchildren have outgrown, please send it our way. Be on the look out at garage sales too!

It is such a blessing to watch each child grow and learn new things!

Collinsville Faith in Action is a 501c3 organization funded by donations and grants. Faith traditions and churches within our community support us by referring volunteers. The interfaith volunteers provide services to older community members.

September was our 40th Anniversary celebration and it was SO FUN! Thank you to everyone who came and helped us honor this legacy of community support. We truly enjoyed hearing from past and present and hearing what a blessing St. John's Community Care has been to so many people for so many years.

We do have a new partnership with Senior Services Plus out of Alton! We have worked together for many years, but they are now bringing two programs to us. They will be providing a support group for caregivers providing care for someone with Parkinson's Disease. This group will meet on the 4th Wednesday of each month beginning in October at our 222 Goethe Ave office. They will also be hosting a Tai Chi class every Thursday in the church Atrium at 9am, starting on October 16th.

Becky McNeil is also now coordinating volunteers for many activities. This is a great way to help cover costs at SJCC without sacrificing your own budget. We are looking for people to assist in the Adult Day Program, visiting with participants and doing crafts and activities. We also can use people in a reception capacity or anyone with social media or fundraising skills.

I pray that you have the most wonderful fall season. Thank you all for your continued support of this ministry.
